PRESS RELEASE

## **SEB rated Best Asset Manager in Sweden**

**SEB has been rated Best Asset Manager in Sweden in Thomson Reuters' annual ranking of asset managers in the Nordic Region.**

- It feels great that SEB receives the first award in this new category. And the fact that managers from our asset management organisation occupy the top four positions in the ranking shows that we have both edge and width to our competences and that is something I am very proud of, says Fredrik Boheman, head of SEB Wealth Management.

Four of SEB's asset managers top the individual listing. At the top of the list is Anders Jakobsson, SEB Europafond, followed by Anette Andersson, SEB Sverigefond, Alo Kullman, SEB Östeuropafond and Åsa Annerstedt, SEB Småbolagsfond Europa.

SEB is a North European financial group serving some 400,000 corporate customers and institutions and five million private individuals. SEB offers universal banking services in Sweden, Germany and the Baltic countries – Estonia, Latvia and Lithuania. It also has local presence in the other Nordic countries, Poland, Ukraine and Russia and a global presence through its international network in another ten countries.
