RESTRICTIONS ON MARKETING AND SALES TO RETAIL INVESTORS: The Notes are complex financial instruments and are not a suitable or appropriate investment for all investors. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the Notes to retail investors.

The Notes should not be offered or sold to retail clients (as defined in point (11) of Article 4(1) of MiFID II) (an **EEA Retail Client**) in the EEA. In addition, in the UK, the Financial Conduct Authority Conduct of Business Sourcebook (**COBS**) requires, in summary, that the Notes should not be offered or sold to retail clients (as defined in COBS 3.4 and each a **UK retail client**, and together with an EEA Retail Client, a **retail client**) in the UK.

The PRIIPs Regulation, the UK PRIIPs Regulation, MiFID II (including as implemented in the UK, and as the relevant implementing regulations form part of domestic law by virtue of the EUWA) and COBS (together, the **EU/UK Regulations**) set out various obligations in relation to (i) the manufacture and distribution of financial instruments and (ii) the offering, sale and distribution of packaged retail and insurance-based investment products and certain contingent write-down or convertible securities, such as the Notes.

Further, in Singapore, the Securities and Futures Act 2001 (2020 Revised Edition) of Singapore (as amended, the **SFA**), the Financial Advisers Act (Chapter 110 of Singapore) (the **FAA**), the Guidelines on Fair Dealing – Board and Senior Management Responsibilities for Delivering Fair Dealing Outcomes to Customers (the **Guidelines on Fair Dealing**) and the Code of Conduct for Private Banking in Singapore (the **PB Code**) contain additional obligations and/or guidance in relation to the marketing, offer and sale of the Notes to investors in Singapore. Together, the SFA, the FAA, the Guidelines on Fair Dealing and the PB Code are referred to as the **Singapore Regulations**, and together with the EU/UK Regulations, as the **Regulations**.

Potential investors should inform themselves of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein), including the Regulations.

Each of the Bank and the Joint Lead Managers are required to comply with some or all of the Regulations. By purchasing, or making or accepting an offer to purchase, any Notes (or a beneficial interest in the Notes) from the Bank and/or any Joint Lead Manager, each prospective investor represents, warrants, acknowledges, consents, accepts, agrees with and undertakes to the Bank and each of the Joint Lead Managers that:

- (a) it is not a retail client;
- (b) whether or not it is subject to the Regulations, it will not: (i) sell or offer the Notes (or any beneficial interests therein) to any retail clients; or (ii) communicate (including the distribution of this Information Memorandum) or approve any invitation or inducement to participate in, acquire or underwrite the Notes (or any beneficial interests therein) where that invitation or inducement is addressed to or disseminated in such a way that it is likely to be received by a retail client. In selling or offering the Notes or making or approving communications relating to the Notes, it may not rely on the limited exemptions set out in COBS;
- (c) if it is person in Hong Kong, it is a “professional investor” as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong (the SFO) and any rules made under the SFO;
- (d) if it is a person in Singapore, it is an “accredited investor” or an “institutional investor”, each as defined in Section 4A of the SFA;
- (e) it will not sell or offer the Notes (or any beneficial interests therein) to persons in Singapore other than (i) to an institutional investor (as defined in Section 4A of the SFA) pursuant to Section 274 of the SFA, (ii) to a relevant person (as defined in Section 275(2) of the SFA) pursuant to Section 275(1) of the SFA or to any person pursuant to Section 275(1A) of the SFA, and in accordance with the conditions specified in Section 275 of the SFA, or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA; and
- (f) it will at all times comply with all applicable laws, regulations and regulatory guidance (whether inside or outside the EEA or the UK) relating to the promotion, offering, distribution and/or sale of the Notes (or any beneficial interests therein), including (without limitation) MiFID II (including as implemented in the UK, and as the relevant implementing regulations form part of domestic law by virtue of the EUWA) and any other applicable laws, regulations and regulatory guidance relating to determining the appropriateness and/or suitability of an investment in the Notes (or any beneficial interests therein) by investors in any relevant jurisdiction.

Each prospective investor further acknowledges that:

- (i) the identified target market for the Notes (for the purposes of the product governance obligations in MiFID II and the FCA Handbook Product Intervention and Product Governance Sourcebook) is eligible counterparties and professional clients only; and
- (ii) no key information document under the PRIIPs Regulation or the UK PRIIPs Regulation has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPs Regulation or the UK PRIIPs Regulation, as applicable.

Each potential investor in the Notes should inform itself of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein), including the Regulations.

Where acting as agent on behalf of a disclosed or undisclosed client when purchasing, or making or accepting an offer to purchase, any Notes (or any beneficial interests therein) from the Bank and/or the Joint Lead Managers the foregoing representations, warranties, agreements and undertakings will be given by and be binding upon both the agent and its underlying client.

(Incorporated in the Kingdom of Sweden with limited liability)

Issue of U.S.\$500,000,000 Additional Tier 1 Convertible Notes

under the Global Programme for the Continuous Issuance of Medium Term Notes and Covered Bonds

Issue Price: 100 per cent.

The U.S.\$500,000,000 Additional Tier 1 Convertible Notes (the **Notes**) are being issued by Skandinaviska Enskilda Banken AB (publ) (the **Bank**) as a series of securities under the Bank's Global Programme for the Continuous Issuance of Medium Term Notes and Covered Bonds (the **Programme**). The Notes will constitute unsecured, subordinated obligations of the Bank, as described in Condition 3.

The Notes will bear interest on their outstanding principal amount from (and including) 8th June, 2022 (the **Issue Date**) to (but excluding) 30th June, 2027 (the **First Reset Date** and, together with every fifth anniversary thereof, each a **Reset Date**) at a fixed rate of 6.875 per cent. per annum. In respect of each period from (and including) a Reset Date to (but excluding) the next succeeding Reset Date (each a **Reset Period**), the Notes will bear interest at a fixed rate of 4.073 per cent. per annum above the CMT Rate (as defined in the terms and conditions of the Notes (the **Conditions**)). Subject to the right of the Bank to cancel any payment of interest in respect of the Notes, interest on the Notes will be payable semi-annually in arrear on 30th June and 30th December in each year (each an **Interest Payment Date**), commencing on 30th December, 2022 (long first coupon).

The Notes are perpetual securities and have no fixed date for redemption and Holders do not have the right to call for their redemption. Subject as provided herein and to the prior approval of the Swedish Financial Supervisory Authority (the **SFSA**) (where such prior approval is required pursuant to Applicable Banking Regulations (as defined in the Conditions)), the Notes may be redeemed at the option of the Bank in whole (but not in part) (i) on the First Reset Date or at any time thereafter, at their outstanding principal amount and (ii) upon the occurrence of a Capital Event or a Tax Event (if not substituted or varied instead of redemption pursuant to Condition 5B.08), in each case at their outstanding principal amount and in the manner described herein.

The Bank may elect, in its sole and absolute discretion, to cancel any payment of interest in respect of the Notes in whole or in part at any time and for any reason, and payments of interest in respect of the Notes will also not be made in certain other circumstances. Interest payments in respect of the Notes will be non-cumulative. Accordingly, if any payment of interest (or part thereof) is not made in respect of the Notes then the right of the Holders to receive the relevant interest payment (or part thereof) will be extinguished and the Bank will have no obligation to pay such interest payment (or part thereof), whether or not future interest payments on the Notes are paid. The cancellation or other non-payment of interest will not constitute an event of default or entitle any action to be taken by Holders. For further information, see Condition 4B.

In the event that the CET1 ratio of the Bank or the Group is less than 5.125 per cent., in the case of the Bank, or 8.00 per cent., in the case of the Group, in each case as determined by the Bank or the SFSA (or any agent appointed by the SFSA for the purposes of making such determination) (a Trigger Event), the Notes will be converted automatically (and without any requirement for the consent or approval of Holders) into Conversion Shares at the Conversion Price (each as defined in the Conditions). Prior to any delivery of Conversion Shares to a Holder there will first be a Settlement Shares Offer, which will delay the delivery of Conversion Shares to a Holder and may result in a Holder receiving, wholly or partly in place of such Conversion Shares, payment of the cash proceeds of such Settlement Shares Offer to which that Holder is entitled, after deduction of the Settlement Shares Offer Expenses. See Condition 5A.

Prohibition of sales to EEA retail investors

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. Consequently no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Prohibition of sales to UK retail investors

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the **FSMA**) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MiFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (COBS), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any distributor should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (**UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

NOTIFICATION UNDER SECTION 309B(1)(C) OF THE SECURITIES AND FUTURES ACT 2001 (2020 REVISED EDITION) OF SINGAPORE (AS AMENDED OR MODIFIED FROM TIME TO TIME, THE “SFA”) – In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products)

Restrictions on marketing and sales to retail investors

The Notes are complex financial instruments and are not a suitable or appropriate investment for all investors. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the Notes to retail investors.

The Notes should not be offered or sold to retail clients (as defined in point (11) of Article 4(1) of MiFID II) (an **EEA Retail Client**) in the EEA. In addition, in the UK, the Financial Conduct Authority Conduct of Business Sourcebook (**COBS**) requires, in summary, that the Notes should not be offered or sold to retail clients (as defined in COBS 3.4 and each a **UK retail client**, and together with an EEA Retail Client, a **retail client**) in the UK.

The PRIIPs Regulation, the UK PRIIPs Regulation, MiFID II (including as implemented in the UK, and as the relevant implementing regulations form part of domestic law by virtue of the EUWA) and COBS (together, the **EU/UK Regulations**) set out various obligations in relation to (i) the manufacture and distribution of financial instruments and (ii) the offering, sale and distribution of packaged retail and insurance-based investment products and certain contingent write-down or convertible securities, such as the Notes.

Further, in Singapore, the SFA, the Financial Advisers Act (Chapter 110 of Singapore) (the **FAA**), the Guidelines on Fair Dealing – Board and Senior Management Responsibilities for Delivering Fair Dealing Outcomes to Customers (the **Guidelines on Fair Dealing**) and the Code of Conduct for Private Banking in Singapore (the **PB Code**) contain additional obligations and/or guidance in relation to the marketing, offer and sale of the Notes to investors in Singapore. Together, the SFA, the FAA, the Guidelines on Fair Dealing and the PB Code are referred to as the **Singapore Regulations**, and together with the EU/UK Regulations, as the **Regulations**.

Potential investors should inform themselves of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein), including the Regulations.

Each of the Bank and the Joint Lead Managers are required to comply with some or all of the Regulations. By purchasing, or making or accepting an offer to purchase, any Notes (or a beneficial interest in the Notes) from the Bank and/or any Joint Lead Manager, each prospective investor represents, warrants, acknowledges, consents, accepts, agrees with and undertakes to the Bank and each of the Joint Lead Managers that:

- (a) it is not a retail client;
- (b) whether or not it is subject to the Regulations, it will not: (i) sell or offer the Notes (or any beneficial interests therein) to any retail clients; or (ii) communicate (including the distribution of this Information Memorandum) or approve any invitation or inducement to participate in, acquire or underwrite the Notes (or any beneficial interests therein) where that invitation or inducement is addressed to or disseminated in such a way that it is likely to be received by a retail client (in each case within the meaning of MiFID II). In selling or offering the Notes or making or approving communications relating to the Notes, it may not rely on the limited exemptions set out in COBS;
- (c) if it is person in Hong Kong, it is a “professional investor” as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong (the **SFO**) and any rules made under the SFO;
- (d) if it is a person in Singapore, it is an “accredited investor” or an “institutional investor”, each as defined in Section 4A of the SFA;
- (e) it will not sell or offer the Notes (or any beneficial interests therein) to persons in Singapore other than (i) to an institutional investor (as defined in Section 4A of the SFA) pursuant to Section 274 of the SFA, (ii) to a relevant person (as defined in Section 275(2) of the SFA) pursuant to Section 275(1) of the SFA or to any person pursuant to Section 275(1A) of the SFA, and in accordance with the conditions specified in

Section 275 of the SFA, or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA; and

- (f) it will at all times comply with all applicable laws, regulations and regulatory guidance (whether inside or outside the EEA and the UK) relating to the promotion, offering, distribution and/or sale of the Notes (or any beneficial interests therein), including (without limitation) MiFID II and any other such laws, regulations and regulatory guidance relating to determining the appropriateness and/or suitability of an investment in the Notes (or any beneficial interests therein) by investors in any relevant jurisdiction.

Each prospective investor further acknowledges that:

- (i) the identified target market for the Notes (for the purposes of the product governance obligations in MiFID II and UK MiFIR Product Governance Rules) is eligible counterparties and professional clients only; and
- (ii) no key information document under the PRIIPs Regulation or the UK PRIIPs Regulation has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPs Regulation or the UK PRIIPs Regulation, as applicable.

Each potential investor in the Notes should inform itself of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein), including the Regulations.

Where acting as agent on behalf of a disclosed or undisclosed client when purchasing, or making or accepting an offer to purchase, any Notes (or any beneficial interests therein) from the Bank and/or the Joint Lead Managers the foregoing representations, warranties, agreements and undertakings will be given by and be binding upon both the agent and its underlying client.

Each potential investor in the Notes must further determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Information Memorandum or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understands thoroughly the terms of the Notes and is familiar with the behaviour of financial markets; and
- (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing, and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

An investment in the Notes is not an equivalent to an investment in a bank deposit. Although an investment in the Notes may give rise to higher yields than a bank deposit placed with the Bank, an investment in the Notes carries

risks which are very different from the risk profile of such a deposit. Unlike a bank deposit the Notes are transferrable. However, the Notes may have no established trading market when issued, and one may never develop.

The Notes are unsecured, subordinated obligations of the Bank and perpetual securities with no fixed date for redemption and no right of Holders to call for their redemption. Investments in the Notes do not benefit from any protection provided pursuant to Directive 2014/49/EU of the European Parliament and of the Council on deposit guarantee schemes or any national implementing measures implementing this Directive in any jurisdiction. Therefore, there is a real risk that investors investing in the Notes will lose all or some of their investment if the Bank becomes insolvent.

PRIOR TO MAKING AN INVESTMENT DECISION, PROSPECTIVE INVESTORS SHOULD CONSIDER CAREFULLY, IN LIGHT OF THEIR OWN FINANCIAL CIRCUMSTANCES AND INVESTMENT OBJECTIVES, ALL THE INFORMATION SET FORTH IN THIS INFORMATION MEMORANDUM AND, IN PARTICULAR, THE CONSIDERATIONS SET FORTH IN THE SECTION ENTITLED “RISK FACTORS”. PROSPECTIVE INVESTORS SHOULD MAKE SUCH ENQUIRIES AS THEY DEEM NECESSARY WITHOUT RELYING ON THE BANK OR ANY JOINT LEAD MANAGER.

Under the terms of the Notes, investors will agree to be bound by and consent to the exercise of any bail-in and loss absorption power by the Swedish Resolution Authority

By acquiring Notes, each Noteholder and each beneficial owner acknowledges, accepts, consents and agrees to be bound by (a) the effect of the exercise of any bail-in and loss absorption power by the relevant Swedish resolution authority, that may include and result in any of the following, or some combination thereof: (i) the reduction of all, or a portion, of the principal amount of, or any interest on, the Notes or any other outstanding amounts due under, or in respect of, the Notes; (ii) the conversion of all, or a portion, of the principal amount of, or any interest on, the Notes or any other outstanding amounts due under, or in respect of, the Notes into shares, other securities or other obligations of the Bank or another person (and the issue to or conferral on the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes; (iii) the cancellation of the Notes; (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period; and (b) the variation of the terms of the Notes, if necessary, to give effect to the exercise of any bail-in and loss absorption power by the relevant Swedish resolution authority. See Condition 16.03 under “*Terms and Conditions of the Notes*”.

STABILISATION

In connection with the issue of the Notes, UBS Europe SE as stabilisation manager (the **Stabilisation Manager**) (or persons acting on behalf of the Stabilisation Manager) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However

stabilisation may not necessarily occur. RISK FACTORS

*The Bank believes that the factors described in the section of the Programme Information Memorandum entitled “Risk Factors” (the **Programme Risk Factors**) may affect its ability to fulfil its obligations under the Notes. Most of these factors are contingencies which may or may not occur and the Bank is not in a position to express a view on the likelihood of any such contingency occurring.*

In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described in the Programme Risk Factors and below.

The Bank believes that the factors described in the Programme Risk Factors and below represent the principal risks inherent in investing in the Notes, but the inability of the Bank to pay interest, principal or other amounts on or in connection with the Notes may occur for other reasons which may not be considered significant risks by the Bank based on information currently available to it or which it may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere or incorporated by reference in this Information Memorandum and reach their own views prior to making any investment decision.

The Programme Risk Factors are incorporated by reference in this Information Memorandum and for these purposes references in the Programme Risk Factors to “Notes”, “Subordinated Notes” and “Tier 2 Subordinated Notes” shall, as applicable, be construed as references to the Notes described in this Information Memorandum.

Risks Relating to the Notes

There is a real risk that Holders will lose some or all of their investment should the Bank become insolvent and holders may only claim payment in the bankruptcy or liquidation of the Bank

Unless previously converted into Conversion Shares pursuant to Condition 5A, the Bank’s obligations under the Notes will be unsecured and subordinated. In the event of the voluntary or involuntary liquidation (*likvidation*) of the Bank or the bankruptcy (*konkurs*) of the Bank, the rights of the Holders of the Notes to payments on or in respect of the Notes rank:

- (i) junior to any present or future claims of (a) depositors of the Bank, (b) other unsubordinated creditors of the Bank and (c) except as expressed in (iii) below, claims of any other subordinated creditors of the Bank;
- (ii) *pari passu* without any preference among themselves;
- (iii) at least *pari passu* with claims of holders of any other outstanding Additional Tier 1 Instruments and claims of any other subordinated creditors the claims of which rank, or are expressed to rank, *pari passu* with the Notes; and
- (iv) in priority to payments to holders of all classes of share capital of the Bank in their capacity as such holders.

Although the Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that Holders will lose all or some of their investment should the Bank become insolvent.

There are no events of default in relation to the Notes and Holders may only claim payment in respect of the Notes in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank. See “—*There are no events of default*” below.

The Notes may be subject to loss absorption on any application of the resolution tools or at the point of non-viability of the Bank or the Group

On 2nd July, 2014, Directive 2014/59/EU of the European Parliament and of the Council of 15th May, 2014 (**BRRD I**) providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms entered into force. BRRD I became effective in Sweden on 1st February, 2016 (the Swedish Law on Resolution (*Lagen (2015:2016) om resolution*)).

On 7th June, 2019, Directive 2019/879/EU of the European Parliament and of the Council of 20th May, 2019 (as amended or replaced, **BRRD II**) was published amending, among other things, BRRD I as regards the loss-absorbing and recapitalisation capacity of credit institutions and investment firms (BRRD I as so amended, and as

further amended or replaced, the **BRRD**). Regulation (EU) No. 2019/876 of the European Parliament and of the Council of 20th May, 2019 (**CRR II**) was also published on that same date amending Regulation (EU) No. 575/2013 of the European Parliament and of the Council of 26th June, 2013 on the prudential requirements for credit institutions and investment firms (as so amended and implemented and/or applicable in Sweden, and as further amended or replaced, the **CRR**).

In addition to the application of the resolution tools, including the general bail-in tool, to the Notes (see “*The Council of the EU has adopted the BRRD which provides for a range of actions to be taken in relation to a relevant entity considered to be at risk of failing. The taking of any action against SEB under the BRRD could materially adversely affect the value of any Notes*” in the Programme Risk Factors), the BRRD contemplates that the Notes may be subject to non-viability loss absorption. As a result, resolution authorities may require the permanent write-down of capital instruments such as the Notes (which write-down may be in full) or the conversion of them into shares (or other instruments of ownership) in SEB at the point of non-viability of the Bank or the Group and before any other resolution action is taken. Any such write-down or conversion is separate to the Automatic Trigger Conversion contemplated by the Conditions and may be effected by resolution authorities without regard to the Floor Price. Such write-down or conversion is likely, therefore, to have a different outcome to any Automatic Trigger Conversion, with any shares issued to holders of the Notes upon any such conversion into equity likely to be significantly fewer than the shares that may otherwise be received on any Automatic Trigger Conversion. Any such shares may also be subject to future cancellation, transfer or dilution.

Even if grounds for compensation could be established, compensation may not be available under the BRRD to any holders of capital instruments subject to any write-down or conversion pursuant to non-viability loss absorption, separate from any exercise of the general bail-in tool (see “*Risks related to the Notes generally - The Council of the EU has adopted the BRRD which provides for a range of actions to be taken in relation to a relevant entity considered to be at risk of failing. The taking of any action against SEB under the BRRD could materially adversely affect the value of any Notes*” in the Programme Risk Factors), and even if available any such compensation would only take the form of shares in SEB.

For the purposes of the application of any non-viability loss absorption measure (i) the point of non-viability of a relevant entity under the BRRD is the point at which the relevant authority or authorities, as the case may be, determine(s) that the relevant entity or its group meets the conditions for resolution or will no longer be viable unless the relevant capital instruments (such as the Notes) are written down or converted into equity or extraordinary public financial support is required by the relevant entity other than, where the entity is an institution, for the purposes of remedying a serious disturbance in the economy of an EEA member state and to preserve financial stability; and (ii) the point of non-viability of a group is the point at which the group infringes or there are objective elements to support a determination that the group, in the near future, will infringe its consolidated prudential requirements in a way that would justify action by the appropriate authority, including but not limited to because the group has incurred or is likely to incur losses that will deplete all or a significant amount of its own funds.

BRRD and the CRR address, among other things, the implementation of total loss absorbing capacity (**TLAC**) into EU legislation and the integration of the TLAC requirement with the EU rules regarding minimum requirements for own funds and eligible liabilities (**MREL**) to avoid duplication. Eligible liabilities for these purposes means the liabilities and capital instruments that do not qualify as common equity tier 1 (**CET1**), Additional Tier 1 or Tier 2 instruments of the relevant entity and that are not excluded from the scope of the bail-in tool. While the TLAC requirement will apply only to G-SIBs (and hence not to SEB), the CRR includes, as part of MREL, a minimum Pillar 1 subordination requirement for “top-tier” banks (including SEB). This Pillar 1 subordination requirement, which replaced the liabilities proportion principle, shall be satisfied with own funds and other eligible MREL instruments meeting the applicable CRR requirements, including such MREL instruments constituting senior non-preferred debt.

The Swedish law implementing BRRD II entered into force on 1st July, 2021 and stipulates that the new MREL and subordination requirements shall be fully complied with from 1st January, 2024. On 18th October, 2021, the Swedish Resolution Authority issued a new policy for the application of the MREL to Swedish banks under the

new law. According to the new policy, the capital base counts in full towards subordination requirements and the liabilities proportion principle is no longer applicable. The MREL and the subordination requirements are the higher of a risk-based and a leverage-based requirement. The combined buffer requirement is added on top of both the risk-based MREL requirement and the risk-based subordination requirement. In order to ensure a linear phase-in of the new requirements, the Swedish Resolution Authority has decided on a target level applicable as of 1st January, 2022. For the Bank, this target MREL level is the higher of 19.7 per cent. of average risk exposure amounts (REA) and 5 per cent. of its leverage exposure, whereas the subordination requirement is the higher of 13.5 per cent. of REA and 5 per cent. of its leverage exposure.

The application of the resolution tools or any non-viability loss absorption measure may result in Holders losing some or all of their investment. The exercise of any such power or any suggestion of such exercise could, therefore, materially adversely affect the rights of Holder, the price or value of the Notes and/or the ability of the Bank to satisfy its obligations under the Notes.

The Notes are subject to the provisions of the laws of Sweden and their official interpretation, which may change and have a material adverse effect on the terms and market value of the Notes.

The Conditions are drafted on the basis of Swedish law in effect as at the date of this Information Memorandum. Changes in the laws of Sweden or their official interpretation by regulatory authorities such as the SFSA or the European Central Bank after the date hereof may affect the rights and effective remedies of Holders as well as the market value of the Notes.

Such changes in law may include changes in statutory, tax and regulatory regimes during the life of the Notes, which may have an adverse effect on an investment in the Notes. They could also include the introduction of a variety of statutory resolution, loss-absorption and bail-in measures and tools, which may affect the rights of holders of obligations issued by the Bank, including the Notes.

Any such changes could impact the calculation of the CET1 ratios or the CET1 Capital of the Bank or the Group, or the Risk Exposure Amount of the Bank or the Group. Furthermore, because the occurrence of the Trigger Event depends, in part, on the calculation of these ratios and capital measures, any change in Swedish law that could affect the calculation of such ratios and measures could also affect the determination of whether the Trigger Event has actually occurred.

Such calculations may also be affected by changes in applicable accounting rules, the Group's accounting policies and the application by the Group of these policies. Any such changes, including changes over which the Bank or the Group has a discretion, may have a material adverse impact on the reported financial position of the Bank or the Group and accordingly may give rise to the occurrence of the Trigger Event in circumstances where such Trigger Event may not otherwise have occurred, notwithstanding the adverse impact this will have for Holders.

Furthermore, any change in the laws or regulations of Sweden or any change in the application or official interpretation thereof may in certain circumstances result in the Bank having the option to redeem the Notes in whole but not in part (see "*The Notes may be redeemed at the option of the Bank*" below). In any such case, the Notes would cease to be outstanding, which could materially and adversely affect investors and frustrate investment strategies and goals.

Such legislative and regulatory uncertainty could affect an investor's ability to value the Notes accurately and therefore affect the market price of the Notes given the extent and impact on the Notes of one or more regulatory or legislative changes.

Upon the occurrence of a Trigger Event, the Holders will lose all of their claims for payment under the Notes and receive Conversion Shares instead (which are more deeply subordinated than the Notes) and/or the cash proceeds of the Settlement Shares Offer to which that Holder is entitled, after deduction of the Settlement Shares Offer Expenses

Upon the occurrence of a Trigger Event, the Holders will lose all of their claims for payment under the Notes and receive Conversion Shares instead (which are more deeply subordinated than the Notes) and/or net cash proceeds of the Settlement Shares Offer to which the Holders are entitled, after deduction of the Settlement Shares Offer

Expenses. The number and/or value of the Conversion Shares received by Holders following an Automatic Trigger Conversion may be less than Holders may have expected. In addition, Holders may not receive Conversion Shares if they fail to submit a Delivery Notice in the manner or within the prescribed period set out in the Conditions.

The Notes are being issued for regulatory capital adequacy purposes with the intention and purpose of being eligible as Additional Tier 1 Capital of the Bank and the Group. Such eligibility depends upon a number of conditions being satisfied, which are reflected in the Conditions. One of these relates to the ability of the Notes to be available to absorb any losses of the Bank or the Group. Accordingly, upon the occurrence of a Trigger Event, (i) the Notes will be converted into Conversion Shares, (ii) the principal amount of the Notes will be permanently reduced to zero and, accordingly, shall equal zero at all times thereafter, (iii) the Holders will no longer have any rights or claim against the Bank with respect to the payment of any principal, interest or other amount on or in respect of the Notes (except as provided in Condition 3.01(b)) and (iv) the Bank's only remaining obligation under the Notes shall be an obligation to deliver Conversion Shares to the Settlement Shares Depositary on behalf of the Holders.

Once a Note has been converted into Conversion Shares, the principal amount of such Note will not be restored in any circumstances (including where the relevant Trigger Event ceases to continue), no further interest will accrue or be payable on such Note at any time thereafter and the Holders shall have no recourse to the Bank for any further payment in respect of the Notes (but without prejudice to the right of the Holders to receive the relevant number of Conversion Shares from the Settlement Shares Depositary).

If a Trigger Event (and consequent Automatic Trigger Conversion) occurs, Holders will only have the claims under their Conversion Shares, and such claims in a winding-up (*likvidation*) or bankruptcy (*konkurs*) of the Bank are the most junior-ranking of all claims. Claims in respect of Conversion Shares are not for a fixed principal amount, but rather are limited to a share of the surplus assets (if any) remaining following payment of all amounts due in respect of the liabilities of the Bank.

Further, the Conditions provide that a Holder, Settlement Shares Offer Agent or Selling Agent must pay (in the case of the Settlement Shares Offer Agent or the Selling Agent by means of deduction from the net proceeds of sale referred to in Conditions 5A.07 and 5A.08) any taxes and capital, stamp, issue and registration and transfer taxes or duties arising on Automatic Trigger Conversion and such Holder, Settlement Shares Offer Agent or the Selling Agent (as the case may be) must pay (in the case of the Settlement Shares Offer Agent or the Selling Agent, by way of deduction from the net proceeds of sale as aforesaid) all, if any, taxes arising by reference to any disposal or deemed disposal of a Note or interest therein.

If a Holder fails to deliver a duly completed Delivery Notice to a Paying and Conversion Agent in the manner and within the prescribed timeframe specified in the Conditions then, subject to the making of a Settlement Shares Offer, the Bank may in its sole and absolute discretion (and the relevant Holders of such Notes shall be deemed to agree thereto) elect to appoint prior to the Automatic Trigger Conversion a Selling Agent to procure that all Conversion Shares held by the Settlement Shares Depositary in respect of which no duly completed Delivery Notice has been delivered shall be sold by the Selling Agent as soon as reasonably practicable. The net proceeds of any such sale of Conversion Shares shall then, subject to the deduction of certain amounts including in respect of taxes, fees or costs as described in Condition 5A.07, be distributed rateably by the Settlement Shares Depositary to the relevant Holders. There is therefore a risk that Holders will not receive Conversion Shares upon the occurrence of a Trigger Event.

Because a Trigger Event will occur when the CET1 Ratio of the Bank or the Group, as applicable, will have deteriorated significantly, any Trigger Event will likely be accompanied by a prior deterioration in the market price of the Class A Shares, which may be expected to continue after announcement of the relevant Trigger Event. Therefore, in the event of the occurrence of a Trigger Event, the Current Market Price of an Class A Share may be below the Floor Price, and investors could receive Conversion Shares at a time when the market price of the Conversion Shares is considerably less than the Conversion Price. In such circumstances, Holders may receive a smaller number of Conversion Shares than expected by the Holders. In addition, there may be a delay in a Holder receiving its Conversion Shares following an Automatic Trigger Conversion, during which time the market price of

the Class A Shares may fall further. As a result, the value of the Conversion Shares received following an Automatic Trigger Conversion could be substantially lower than the price paid for the Notes at the time of their purchase.

Also, because the Notes are denominated in a currency other than SEK and any Conversion Shares will be denominated in SEK, fluctuations in the exchange rates between these two currencies may adversely affect the number of Conversion Shares delivered to a Holder as a result of an Automatic Trigger Conversion.

Payments of interest on the Notes are discretionary and subject to the fulfilment of certain conditions

The Notes accrue interest as further described in Condition 4A, but the Bank may elect, in its sole and absolute discretion, to cancel any payment of interest that is otherwise scheduled to be paid on an Interest Payment Date in whole or in part at any time and for any reason. Payments of interest in respect of the Notes in any financial year of the Bank shall be made only out of Distributable Items of the Bank. As at 31st March, 2022 the Distributable Items of the Bank (in accordance with the CRR) were SEK 96 billion. Such Distributable Items were calculated on both a consolidated and non-consolidated basis, with the Distributable Items of the Bank being the lower of such two figures.

To the extent that (i) the Bank has insufficient Distributable Items to make any payment of interest in respect of the Notes scheduled for payment in the then current financial year and any other interest payments or distributions paid and/or required and/or scheduled to be paid out of Distributable Items in such financial year, in each case excluding any portion of such payments already accounted for in determining the Distributable Items of the Bank, and/or (ii) the SFSA, in accordance with Applicable Banking Regulations then in force, requires the Bank to cancel the relevant Distribution in whole or in part, then the Bank will, without prejudice to the right above to cancel the payment of all such payments of interest in respect of the Notes, make partial or, as the case may be, no such payment of interest in respect of the Notes.

No payment of interest will be made in respect of the Notes if and to the extent that such payment would cause the Maximum Distributable Amount (if any) then applicable to the Bank and/or the Group to be exceeded. As at 31st March, 2022, the Bank had a buffer of 6.4 per cent. between its CET1 ratio of 18.7 per cent. and its then applicable “combined buffer requirement” of 12.3 per cent. for the purposes of any Maximum Distributable Amount calculation in respect of the Bank. The SFSA has announced that effective from September 2022, it will increase the countercyclical buffer component of the combined buffer requirement by 1.0 per cent., from 0 per cent. to 1.0 per cent. The SFSA also intends to increase the countercyclical buffer by another 1.0 per cent to 2.0 per cent effective from the second quarter of 2023, subject to a formal decision at their Board meeting on 21 June 2022. See “*CRD V imposes capital requirements that are in addition to the minimum capital requirements. These additional capital requirements will restrict the Bank from making payments of interest on the Notes in certain circumstances, in which case the Bank may cancel such interest payments*” below.

On 31st March, 2022, the European Central Bank (**ECB**) published its response to the call for advice from the European Commission relating to the Commission's mandate to complete a review of the macroprudential provisions in the CRR and Directive 2013/36/EU of the European Parliament and of the Council of 26th June, 2013 on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms (as amended by Directive 2019/878/EU of the European Parliament and of the Council of 20th May, 2019 (the **CRD V Directive**), and as further amended or replaced, the **CRD Directive**) by June 2022 and, if appropriate, to submit a legislative proposal to the European Parliament and the Council by December 2022. In respect of each of the four areas included in the call for advice, the ECB provided comments on the operation of the buffer framework, considerations in relation to the internal market, missing or obsolete instruments and global risk. In the context of Additional Tier 1 instruments (**AT1**), the ECB stated that it supports strengthening the features of AT1 to reduce the stigma effects associated with banks cancelling AT1 interest payments when they fall beneath the level of their combined buffer requirements. Additionally, the ECB stated that they believe that there is a need to strengthen the ability of AT1 to act as going concern capital, specifically regarding the flexibility of payments. In particular, the ECB stated that the current CRR definition of "distributable items" should be reviewed to ensure that only profitable banks or banks with positive retained earnings could make AT1 interest or CET1

dividend payments. The final details of this review and the final substance of any resulting legislative proposals and how such proposals, once enacted, are to be applied are uncertain.

There can be no assurances that a Holder will receive payments of interest in respect of the Notes. Unpaid interest is not cumulative or payable at any time thereafter and, accordingly, if any interest payment (or part thereof) is not made in respect of the Notes as a result of any requirement for, or election of, the Bank to cancel such interest payment then the right of the Holders to receive the relevant interest payment (or part thereof) in respect of the relevant Interest Period will be extinguished and the Bank will have no obligation to pay such interest (or part thereof) or to pay any interest thereon, whether or not interest on the Notes is paid in respect of any future Interest Period.

No such election to cancel the payment of any interest (or part thereof) or non-payment of any interest (or part thereof) in respect of the Notes will constitute an event of default or the occurrence of any event related to the insolvency of the Bank or entitle Holders to take any action to cause the liquidation, dissolution or winding up of the Bank.

If, as a result of any of the conditions set out above being applicable, only part of any interest on the Notes may be paid, the Bank may proceed, in its sole discretion, to make such partial interest payments under the Notes.

Notwithstanding the applicability of any one or more of the conditions set out above resulting in interest on the Notes not being paid or being paid only in part, the Bank will not be in any way limited or restricted from making any distribution or equivalent payment in connection with any instrument ranking junior to the Notes (including, without limitation, any CET1 Capital of the Bank or the Group) or in respect of any other Additional Tier 1 Instruments.

Furthermore, upon the occurrence of the Trigger Event, any accrued and unpaid interest on the Notes will be cancelled.

CRD V and the BRRD impose capital requirements that are in addition to the minimum capital requirements. These additional capital requirements will restrict the Bank from making some payments in certain circumstances, which may include payments of interest on the Notes and result in the cancellation of such payments

Under the CRD Directive and the CRR (together with the CRD Directive and any Future Capital Instruments Regulations, **CRD V**), institutions are required to hold a minimum amount of regulatory capital of 8 per cent. of the total risk exposure amount. In addition to these so-called “own funds” requirements under CRD V, supervisory authorities may impose additional capital requirements to cover other risks (thereby increasing the regulatory minimum required under CRD V), which could include further capital requirements such as the additional CET1 Capital requirements imposed by the SFSA under the Swedish Pillar 2 framework. The Bank may also decide to hold additional capital. See “*Factors that may affect the Bank’s ability to meet its obligations under the Notes - SEB is and will continue to be subject to increased capital requirements and standards due to governmental or regulatory requirements and changes in perceived levels of adequate capitalisation, and may need additional capital in the future, which capital may be difficult to obtain - Increased capital requirements*” in the Programme Risk Factors.

CRD V further imposes five capital buffer requirements that are in addition to the minimum capital requirement and are required to be satisfied with CET1 capital. These five capital buffers consist of: (i) the capital conservation buffer, (ii) the institution-specific countercyclical buffer, (iii) the global systemically important institutions buffer, (iv) the other systemically important institutions buffer and (v) the systemic risk buffer. Some or all of these buffers may be applicable to the Bank and/or the Group as determined by the SFSA.

The CRD V Directive, the BRRD and CRR II provide for extensive changes to the EU regulatory framework, including the Fundamental Review of the Trading Book (**FRTB**), the Net Stable Funding Ratio, the leverage ratio and leverage ratio buffer, MREL and the Pillar 2 framework. Member States were required to adopt the measures necessary to comply with the CRD V Directive by 28th December, 2020, which was applicable from 29th December, 2020, although certain provisions only became applicable from 1st January, 2022. CRR II has been

applicable from 28th June, 2021 with certain exceptions. On 17th April, 2020, the European Commission published a proposal for certain temporary exceptional measures from 27th June, 2020 in order to alleviate the immediate impact of COVID-19-related developments by adapting the timeline of the application of international accounting standards on banks' capital, by treating more favourably public guarantees granted as part of COVID-19-related mitigation measures, by postponing the date of application of the leverage ratio buffer and by modifying how certain exposures are excluded from the calculation of the leverage ratio.

See further “-SEB is and will continue to be subject to increased capital requirements and standards due to governmental or regulatory requirements and changes in perceived levels of adequate capitalisation, and may need additional capital in the future, which capital may be difficult to obtain” in the Programme Risk Factors.

Under Article 141 of the CRD Directive, Member States of the European Union must require that institutions that fail to meet the “combined buffer requirement” (which, as implemented in Sweden, involves for the Bank the combination of the capital conservation buffer, the institution-specific counter-cyclical buffer and the systemic risk buffer) will be subject to restricted “discretionary payments” (which are defined broadly by CRD V as payments relating to CET1 Capital, variable remuneration and payments on Additional Tier 1 Instruments such as the Notes). The “combined buffer requirement” and the associated restrictions under Article 141 above were implemented in Sweden on 2nd August, 2014.

Where any such restrictions are to apply they will be scaled according to the extent of the breach of the “combined buffer requirement” and calculated as a percentage of the profits of the institution since the last distribution of profits or “discretionary payment”. Such calculation will result in a “Maximum Distributable Amount” in each relevant period. As an example, the scaling is such that in the bottom quartile of the “combined buffer requirement”, no “discretionary distributions” will be permitted to be paid. As a consequence, in the event of breach of the combined buffer requirement (including where additional capital requirements are imposed by the SFSA that have the result of increasing the regulatory minimum required under CRD V and the BRRD) it may be necessary to reduce discretionary payments, including the potential exercise by the Bank of its discretion to cancel (in whole or in part) interest payments in respect of the Notes. In addition, any actual or perceived breach of the “combined buffer requirement” can be expected to have an adverse effect on the market price of the Notes.

Any failure by the Bank and/or the Group to comply with its MREL requirement could result, among other things, in the imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes

For a discussion as to how MREL requirements may affect SEB, see “SEB is and will continue to be subject to increased capital requirements and standards due to governmental or regulatory requirements and changes in perceived levels of adequate capitalisation, and may need additional capital in the future, which capital may be difficult to obtain - Resolution of systemically important financial institutions” in the Programme Risk Factors.

Under the BRRD, the applicable combined buffer requirements will be positioned above the relevant MREL requirement. An institution that does not comply with its MREL requirement, therefore, will need to use CET1 that previously counted towards meeting the combined buffer requirement to make up the shortfall. Accordingly, any failure by SEB to meet its MREL requirement could negatively impact its combined buffer requirement and result in, among other things, the imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes. See “CRD V imposes capital requirements that are in addition to the minimum capital requirements. These additional capital requirements will restrict the Bank from making payments of interest on the Notes in certain circumstances, in which case the Bank may cancel such interest payments” above.

The circumstances that may give rise to the Trigger Event or the imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes, are unpredictable

The occurrence of the Trigger Event or imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes, as a result of any Maximum Distributable Amount applying to the Bank is inherently unpredictable and depends on a number of factors, many of which are outside of the Bank’s control (and such occurrence may also be determined by the SFSA (or any agent appointed by the SFSA for the

purpose of making such determination)). For example, the occurrence of one or more of the risks described in these Risk Factors, or the deterioration of the circumstances described therein, will substantially increase the likelihood of the occurrence of the Trigger Event or the imposition of such restrictions or prohibitions. Furthermore, the occurrence of the Trigger Event or the imposition of such restrictions or prohibitions as a result of the application of any Maximum Distributable Amount depends, in part, on the calculation of the CET1 ratio, which can be affected, among other things, by the growth of the business and future earnings of the Bank and/or the Group, as applicable; expected payments by the Bank and/or the Group, as applicable, in respect of dividends and distributions and other equivalent payments in respect of instruments ranking junior to the Notes as well as other Additional Tier 1 Instruments; regulatory changes (including possible changes in accounting rules, regulatory capital definitions, calculations and risk weighted assets, and the proposed use of the of the risk weight floor to compute the full stack of capital requirements) and the Bank's ability to actively manage the risk weighted assets of the Bank and the Group. The usual reporting cycle of the Bank is for the CET1 ratios of the Bank and the Group to be reported on a quarterly basis in conjunction with its interim financial reporting, which may mean investors are given limited warning of any significant deterioration in those CET1 ratios. In addition, since the SFSA may require the Bank to calculate the CET1 ratios at any time and may itself determine (or appoint an agent for the purpose of making such determination) the occurrence of a Trigger Event or any Maximum Distributable Amount, the Trigger Event or the imposition of such restrictions or prohibitions could occur at any time.

Due to the inherent uncertainty in advance of any determination of a Trigger Event or any Maximum Distributable Amount regarding whether any such Trigger Event may exist or the amount of such Maximum Distributable Amount, it will be difficult to predict when, if at all, an Automatic Trigger Conversion or the imposition of such restrictions or prohibitions may occur. Accordingly, trading behaviour in respect of the Notes is not necessarily expected to follow trading behaviour associated with other types of interest-bearing securities. Any actual or perceived indication that the Bank and/or the Group, as applicable, is trending towards the Trigger Event or of the imposition of such restrictions or prohibitions can be expected to have an adverse effect on the market price of the Notes. Under such circumstances, investors may not be able to sell their Notes easily or at prices comparable to other similar yielding instruments.

Holders will bear the risk of fluctuations in the price of the Class A Shares and/or movements in the CET1 Ratio that could give rise to the occurrence of the Trigger Event or the imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes

The market price of the Notes is expected to be affected by fluctuations in the market price of the Class A Shares, in particular if at any time there is a significant deterioration in the CET1 Ratio of the Bank or the Group or any actual or perceived indication of the imposition of restrictions or prohibitions on discretionary payments by the Bank, including interest payments on the Notes. It is impossible to predict whether the price of the Class A Shares will rise or fall. Market prices of the Class A Shares will be influenced by, among other things, the financial position of the Bank and the Group, the results of operations and political, economic, financial and other factors. Any decline in the market price of the Class A Shares or any actual or perceived indication that the CET1 Ratio of the Bank or the Group is trending towards the occurrence of a Trigger Event or of the imposition of such restrictions or prohibitions may have an adverse effect on the market price of the Notes. The level of the CET1 Ratio of the Bank or the Group or any Maximum Distributable Amount may also significantly affect the market price of the Notes and/or the Class A Shares.

The Bank will have no obligation to consider the interests of the Noteholders in connection with the strategic decisions of the Group, including in respect of capital management. Noteholders will not have any claim against the Bank or any other member of the Group relating to decisions that affect the business and operations of the Group, including its capital position, regardless of whether they result in the occurrence of a Trigger Event or the imposition of such restrictions or prohibitions. Such decisions could cause Noteholders to lose all or part of the value of their investment in the Notes.

The value of the Notes may decline because the holders do not have anti-dilution protection in all circumstances. In particular, the occurrence of corporate actions or events in respect of which no adjustment to the Floor Price is made may adversely affect the value of the Notes

The number of Conversion Shares which are to be issued and delivered in respect of each Note on an Automatic Trigger Conversion shall be determined by dividing the aggregate principal amount of such Note outstanding immediately prior to the Conversion Date by the Conversion Price rounded down, if necessary, to the nearest whole number of Conversion Shares.

The Conversion Price will be, if the Class A Shares are:

- (a) then admitted to trading on a Relevant Stock Exchange, the higher of:
 - (i) the Current Market Price of a Class A Share, translated into U.S. dollars at the Prevailing Exchange Rate;
 - (ii) the Floor Price; and
 - (iii) the quota value (*kvotvärde*) of a Class A Share (being SEK 10.07 on the Issue Date), translated into U.S. dollars at the Prevailing Exchange Rate,in each case on the Conversion Date; or
- (b) not then admitted to trading on a Relevant Stock Exchange, the higher of (ii) and (iii) above;

The Floor Price will be adjusted upon the occurrence of certain corporate actions, as specified in Condition 5A.11. However, save as specified in Condition 5A.11, there is no requirement that there should be an adjustment of the Floor Price for any other corporate actions or events that may affect the market price of the Conversion Shares.

Accordingly, the occurrence of corporate actions or events in respect of which no adjustment to the Floor Price is made may adversely affect the value of the Notes.

Holders may lose a right to dividends, distributions, voting or other rights emanating from the Conversion Shares in the event of liquidation (likvidation) or bankruptcy (konkurs) proceedings of the Bank prior to the registration of such Conversion Shares with the Share Registrar or the SCRO

In the event that liquidation (*likvidation*) or bankruptcy (*konkurs*) proceedings have been initiated against the Bank after the Conversion Date but before the Conversion Shares have been registered with the Share Registrar or the SCRO, the Conversion Shares may not be registered at all or may only be registered if the liquidator or the administrator in the bankruptcy (*konkurs*) (if and when appointed) so agrees. The Conversion Shares will carry a right to dividends, distributions, voting and other rights having a record date that occurs on or after the Registration Date. If the Conversion Shares are not registered with the Share Registrar or the SCRO, the Holders will not have the benefit of any dividends, distributions, voting or other rights in relation to the share capital of the Bank emanating from the Conversion Shares which are contingent upon such registration.

Perpetual securities

The Notes are perpetual securities and have no fixed date for redemption. The Bank is under no obligation to redeem the Notes at any time and the Holders have no right to call for their redemption. The only circumstances in which Holders may claim payment in respect of the Notes is in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank (see “—*There are no events of default*” below).

The Notes may be redeemed at the option of the Bank

All, and not some only, of the Notes may be redeemed at the option of the Bank, subject to the prior approval of the SFSA and Applicable Banking Regulations then in force, on or at any time after the First Reset Date, at their outstanding principal amount and as further provided in the Conditions. Under the CRR, the SFSA will give its consent to a redemption of the Notes in such circumstances provided that either of the following conditions is met:

- (a) on or before such redemption of the Notes, the Bank replaces the Notes with instruments qualifying as Tier 1 Capital of an equal or higher quality on terms that are sustainable for the income capacity of the Bank; or
- (b) the Bank has demonstrated to the satisfaction of the SFSA that its Tier 1 Capital, Tier 2 capital and eligible liabilities would, following such redemption, exceed the capital requirements under CRD V and the BRRD by a margin that the SFSA may consider necessary on the basis set out in CRD V and the BRRD.

The Notes are also redeemable on or after the Issue Date at the option of the Bank in whole but not in part, at any time, at their outstanding principal amount, subject to the prior approval of the SFSA and Applicable Banking Regulations then in force, if there is a Capital Event or a Tax Event (if not substituted or varied instead of redemption pursuant to Condition 5B.08).

The CRR further provides that the SFSA may, among other exceptions, approve any such redemption of the Notes upon the occurrence of a Capital Event or a Tax Event before the First Reset Date if, in addition to meeting the conditions referred to in one of either paragraphs (a) or (b) above, the following conditions are also met:

- (i) in the case of any such redemption upon the occurrence of a Capital Event, the SFSA considers the relevant change to be sufficiently certain and the Bank demonstrates to the satisfaction of the SFSA that such change was not reasonably foreseeable at the Issue Date; or
- (ii) in the case of any such redemption upon the occurrence of a Tax Event, the Bank demonstrates to the satisfaction of the SFSA that such Tax Event is material and was not reasonably foreseeable at the issue Date.

The above conditions to any redemption of the Notes upon the occurrence of a Capital Event or a Tax Event only apply to any such redemption of the Notes before the First Reset Date and the Bank may exercise its option to redeem the Notes in such circumstances on or at any time after the First Reset Date (including as a result of a Capital Event or a Tax Event that occurred before the First Reset Date) without complying with these conditions. However, it will still need to comply with the conditions referred to in one of either paragraphs (a) or (b) above.

It is not possible to predict whether or not any change in the laws or regulations of Sweden or the application or official interpretation thereof, or any of the other events referred to above, will occur and so lead to the circumstances in which the Bank is able to elect to redeem the Notes, and if so whether or not the Bank will elect to exercise such option to redeem the Notes. Any decision by the Bank to exercise any option to redeem the Notes will involve consideration at the relevant time of, among other things, the economic impact of such redemption, the capital requirements of the Bank and/or the Group, prevailing market conditions and regulatory developments. It will also require the approval of the SFSA.

There can also be no assurances that, in the event of any such early redemption, Holders will be able to reinvest the proceeds at a rate that is equal to the return on the Notes. In the case of any early redemption of the Notes at the option of the Bank on or at any time after the First Reset Date, the Bank may be expected to exercise this option when its funding costs are lower than the rate at which interest is then payable in respect of the Notes. In these circumstances, the rate at which Holders are able to reinvest the proceeds of such redemption is unlikely to be as high as, and may be significantly lower than, that rate of interest.

In addition, the redemption feature of the Notes is likely to limit their market value. During any period when the Bank has the right to elect to redeem the Notes (or where there is an actual or perceived increase in the likelihood that the Bank has such right), the market value of the Notes is unlikely to rise substantially above the price at which they can be redeemed. This may also be true prior to such period.

Holders of the Notes only have a limited ability to realise their investment in the Notes

The Bank has the option to redeem the Notes in certain circumstances but the ability of the Bank to redeem or purchase the Notes is subject to the Bank satisfying certain conditions. See “—*The Notes may be redeemed at the option of the Bank*” above and Condition 5B. There can be no assurance that Holders will be able to reinvest the amount received upon any such redemption and at a rate that will provide the same rate of return as their investment in the Notes.

Therefore, Holders have no ability to realise their investment, except:

- (i) if the Bank exercises its rights to redeem or purchase the Notes in accordance with Condition 5B; or
- (ii) through the sale of their Notes, which sale will be subject to the existence of a secondary market for the Notes at the relevant time (see “—*Risks related to the market generally – An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes*” in the Programme Risk Factors).

Holders will have to submit a Delivery Notice in order to receive delivery of the Conversion Shares and they (or their nominee, custodian or other representative) will have to have an account with Euroclear Sweden in order to receive the Conversion Shares. Delivery of Conversion Shares to a Holder and/or payment of the cash proceeds of the Settlement Shares Offer (after deduction of the Settlement Shares Offer Expenses) will be further delayed by the Settlement Shares Offer.

In order to obtain delivery of the Conversion Shares, a Holder must deliver a Delivery Notice (and the relevant Notes) to the Settlement Shares Depository in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg or (if the Notes are in definitive form) to the Paying and Conversion Agent. The Delivery Notice must contain certain information, including the Holder’s Euroclear Sweden account details. Accordingly, Holders (or their nominee, custodian or other representative) will have to have an account with Euroclear Sweden in order to receive the Conversion Shares. In the case of any Holder which fails to deliver a duly completed Delivery Notice, together with the relevant Notes held by it, the relevant Conversion Shares shall, subject to the Settlement Shares Offer, continue to be held by the Settlement Shares Depository on behalf of such Holder until such Holder delivers a duly completed Delivery Notice, together with its relevant Notes, to a Paying and Conversion Agent as provided in the Conditions or the sale of such Conversion Shares by a Selling Agent also as provided in the Conditions. The Bank shall have no liability to any Holder for any loss resulting from such Holder not receiving any Conversion Shares (or cash proceeds) or from any delay in the receipt thereof, in each case as a result of such Holder failing to submit a valid Delivery Notice on a timely basis or at all.

Prior to any delivery of Conversion Shares to a Holder there will first be a Settlement Shares Offer, which may not be completed for a period of up to 40 Business Days from the Business Day immediately following the Conversion Date, resulting in further delays in the delivery of Conversion Shares to a Holder or payment of the cash proceeds of such Settlement Shares Offer to which that Holder is entitled, after deduction of the Settlement Shares Offer Expenses. The Settlement Shares Offer may also result in a Holder receiving, wholly or partly in place of such Conversion Shares payment of such cash proceeds.

Receipt by the Settlement Shares Depository of the Conversion Shares shall irrevocably discharge and satisfy the Bank’s obligations in respect of the Notes

The Bank will deliver the Interim Conversion Shares to the Settlement Shares Depository on the Interim Conversion Settlement Date and, following registration with the SCRO, deliver the Conversion Shares to the Settlement Shares Depository or the relevant holder, as the case may be, as soon as practicable following the Offer Settlement Date or, if later, the Registration Date. Receipt of the Conversion Shares by the Settlement Shares Depository and registration of the Conversion Shares with the SCRO shall discharge the Bank’s obligations in respect of the Notes. With effect on and from the delivery of any such Conversion Shares to the Settlement Shares Depository and their registration with the SCRO, a Holder shall have recourse only to the Settlement Shares Depository for the delivery of the relevant Conversion Shares to be delivered in respect of its Note(s) or, in the circumstances described in the Conditions, any cash amounts to which that Holder is entitled under the Conditions, as the case may be.

In addition, the Bank has not yet appointed a Settlement Shares Depository and the Bank may not be able to appoint a Settlement Shares Depository if an Automatic Trigger Conversion occurs. In such a scenario, the Bank would inform Holders of any alternative arrangements in connection with the issuance and/or delivery of the Conversion Shares, and such arrangements may be disadvantageous to, and more restrictive on, the Holders. For example, such arrangements may involve Holders having to wait longer to receive their Conversion Shares than would be the case under the arrangements expected to be entered into with a Settlement Shares Depository. An

issue of the Conversion Shares by the Bank to the relevant recipient in accordance with these alternative arrangements shall constitute a complete and irrevocable release of all of the Bank's obligations in respect of the Notes.

Holders may be obliged to make a takeover bid upon the occurrence of the Trigger Event if they take delivery of Conversion Shares

Upon the occurrence of the Trigger Event, a Holder receiving Conversion Shares may have to make a takeover bid addressed to all the shareholders of the Bank pursuant to the Swedish Stock Market (Takeover Bids) Act (2006:451) (as amended or replaced from time to time) implementing Directive 2004/25/EC of the European Parliament and of the Council if its aggregate holding of voting rights in the Bank (or its voting rights aggregated with those of its related parties) represents at least 30 per cent. of all the voting rights in the Bank.

Holders who receive Conversion Shares upon the occurrence of a Trigger Event may be subject to disclosure obligations and/or may need approval by the Bank's regulators and other authorities

As the Notes are convertible into Conversion Shares in certain circumstances, an investment in the Notes may result in a Holder, upon conversion of its Notes into Conversion Shares, having to comply with certain disclosure and/or approval requirements pursuant to the Swedish Banking and Financing Business Act (2004:297) and the Swedish Financial Instruments Trading Act (1991:980) (each as amended or replaced from time to time) and other laws and regulations. Non-compliance with such disclosure and/or approval requirements may lead to the incurrance by the Holder of substantial fines and/or suspension of voting rights associated with the Conversion Shares and/or a refusal on the part of the SFSA to provide the relevant approval in respect of the acquisition of the Class A Shares by the Holder.

Holders who receive Conversion Shares may be subject to compulsory acquisition proceedings in relation to their Conversion Shares

Pursuant to the Swedish Companies Act (2005:551), a shareholder that directly or indirectly holds more than 90 per cent. of the shares of the Bank is entitled to acquire the other shareholders' shares and each minority shareholder is entitled to require such majority shareholder to acquire its shares. A majority shareholder that exercises such right to acquire the outstanding shares in the Bank is also entitled to acquire any convertibles (including the Notes) or warrants issued by the Bank. Each holder of such convertibles or warrants (including the Holders) is entitled to require the majority shareholder to acquire its convertibles (including the Notes) or warrants notwithstanding that the majority shareholder does not exercise its right to acquire the outstanding shares. If an agreement on the purchase price cannot be reached between the parties, the purchase price shall be determined through arbitration and generally be the price which could be expected in a sale under normal circumstances. A shareholder or a holder of a convertible or a warrant who does not participate in the arbitration will be represented by a trustee appointed by the SCRO.

The Notes will be repaid if the Bank fails to register the resolution to issue the Notes with the SCRO within the prescribed timeframe

The issue of the Notes must comply with certain procedural requirements laid down in the Swedish Companies Act. Under such Act, the Bank must register with the SCRO its resolution to issue the Notes within six months of such resolution being made. If the Bank fails to comply with this registration requirement or if the resolution for any other reason is not registered, the resolution to issue the Notes will cease to be valid and the Bank will be obliged under the Swedish Companies Act to repay any sums paid for subscribed Notes, together with interest according to the Swedish Interest Act (Sw: *räntelagen*). In addition, potential investors should note that it is unclear how such repayment would be practically operated.

An investor generally may not be able to reinvest the repaid sums at an effective interest rate as high as the interest rate on the Notes being repaid and may only be able to do so at a significantly lower interest rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes are not aggregated for the purposes of determining the number of Conversion Shares to be issued in respect of a Holder's holding in the Notes

If one or more Delivery Notices and relevant Notes are delivered by a Holder to the Settlement Shares Depository (as provided in Condition 5A.07) such that any Conversion Shares to be issued and delivered to such Holder following an Automatic Trigger Conversion are to be registered in the same name, the number of Conversion Shares to be issued and delivered in respect thereof shall be calculated on the basis of individual Notes and not on the basis of the aggregate principal amount of such Notes to be converted.

The number of Conversion Shares to be issued in respect of each Note shall be determined in accordance with the calculation in Condition 5A.05 and such calculation shall be rounded down, if necessary, to the nearest whole number of Conversion Shares. Fractions of Conversion Shares will not be issued following an Automatic Trigger Conversion and no cash payment will be made in lieu thereof. There is therefore a risk that a Holder submitting more than one Delivery Notice may receive fewer Conversion Shares than it would otherwise have received had its holding in the Notes been aggregated (where the aggregate principal amount of a Holder's Notes would have qualified such Holder for additional Conversion Shares when calculated in accordance with Condition 5A.05).

Substitution and variation of the Notes without Holder consent

Subject to Condition 5B.08, if a Tax Event or a Capital Event occurs, the Bank may, instead of redeeming the Notes, and without the consent or approval of the Holders, at any time either substitute the Notes or vary their terms accordingly, provided that they remain or, as appropriate, so that they become, Qualifying Additional Tier 1 Securities. Qualifying Additional Tier 1 Securities are, among other things, notes that have terms not materially less favourable to a Holder (unless any such less favourable terms are solely attributable to ensuring the effectiveness and enforceability of Condition 4B or Condition 16.03 (including the governing law of Condition 16.03)), as reasonably determined by the Bank, than the terms of the Notes. See Condition 5B.08.

There are no events of default

In accordance with CRD V, Holders have no ability to require the Bank to redeem their Notes. The terms of the Notes do not, therefore, provide for any events of default. The Bank is entitled to cancel the payment of any interest payments in whole or in part at any time and as further contemplated in Condition 4B (see “—*Payments of interest on the Notes are discretionary and subject to the fulfilment of certain conditions*” above) and such cancellation will not constitute any event of default or similar event or entitle Holders to take any related action against the Bank.

Notwithstanding the Notes are perpetual securities and have no fixed date for redemption, Holders may prove or claim payment under the laws of Sweden and as further provided in Condition 6 in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank in respect of the then outstanding principal amount of the Notes together with any accrued and unpaid interest on the Notes that has not been cancelled, subject to the subordination of the Notes in accordance with Condition 3.01(b). However, these are the only circumstances in which any such claim for payment may be made by Holders.

If the Bank exercised its right to redeem or purchase the Notes in accordance with Condition 5B but failed to make payment of the relevant outstanding principal amount to redeem the Notes when due, such failure would not constitute an event of default but may entitle Holders to bring a claim for breach of contract against the Bank, which, if successful, could result in damages. Following any such failure to pay amounts in respect of the Notes when due, Holders may also institute proceedings with a view to having the Bank declared bankrupt (*konkurs*) and to prove or claim in the bankruptcy (*konkurs*) of the Bank but may only otherwise claim payment in respect of the Notes in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank.

The terms of the Notes contain a waiver of set-off rights

No holder of any Note may at any time exercise or claim any Set-Off Rights against any right, claim or liability of the Bank or that the Bank may have or acquire against such holder, directly or indirectly and howsoever arising (and including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any kind or any non-contractual obligation, whether or not relating to that Note).

The Conditions provide that holders of the Notes shall be deemed to have waived all Set-Off Rights to the fullest extent permitted by applicable law in relation to all such actual and potential rights, claims and liabilities. As a result, Noteholders will not at any time be entitled to set-off the Bank's obligations under the Notes against obligations owed by them to the Bank.

There is no restriction on the amount or type of further securities or indebtedness which the Bank may incur

There is no restriction on the amount or type of further securities or indebtedness which the Bank may issue or incur which ranks senior to, or pari passu with, the Notes. The incurrence of any such further indebtedness may reduce the amount recoverable by Holders on a liquidation, dissolution or winding-up of the Bank in respect of the Notes and may limit the ability of the Bank to meet its obligations in respect of the Notes, and result in a Holder losing all or some of its investment in the Notes. In addition, the Notes do not contain any restriction on the Bank issuing securities ranking pari passu with the Notes and having similar or preferential terms to the Notes.

Subject to the last paragraph of Condition 5A.07, the obligation of the Bank to issue and deliver Conversion Shares to a Holder shall be satisfied by the delivery of the Interim Conversion Shares in respect of the Note(s) of such Holder to the Settlement Shares Depository on the Interim Conversion Settlement Date and, following registration with the SCRO, the final delivery of such Conversion Shares to the Settlement Shares Depository or the relevant holder, as the case may be, as soon as practicable following the Registration Date.

See Condition 5A.07.

Prior to any delivery of Conversion Shares to a Holder there will first be a Settlement Shares Offer, which will delay the delivery of Conversion Shares to a Holder and may result in a Holder receiving, wholly or partly in place of such Conversion Shares, payment of the cash proceeds of such Settlement Shares Offer to which that Holder is entitled, after deduction of the Settlement Shares Offer Expenses. See Condition 5A.

No Events of Default and Holders may Claim in Bankruptcy or Liquidation only:

If the Bank is declared bankrupt (*konkurs*) or put into liquidation (*likvidation*), in each case by a court or agency or supervisory authority in the Kingdom of Sweden having jurisdiction in respect of the same, the Holder of any Note may prove or claim in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank, whether in the Kingdom of Sweden or elsewhere and instituted by the Bank itself or by a third party, for payment in respect of the outstanding principal amount of such Note together with interest accrued to (but excluding) the date of commencement of the relevant bankruptcy (*konkurs*) or liquidation (*likvidation*) proceedings to the extent not cancelled but subject to such Holder only being able to claim payment in respect of the Note in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank and subject further as provided in Condition 3.01(b).

In that event, the Bank shall (i) subject to the exceptions set out in Condition 7 and (ii) to the extent such payment can be made out of Distributable Items on the same basis as for payment of any amount in respect of interest in accordance with Condition 4) pay in respect of payments of interest (but not principal or any other amount) such additional amounts as may be necessary in order that the net amounts receivable by the Holders in respect of such interest after such withholding or deduction shall equal the respective amounts in respect of such interest which would have been receivable in the absence of such withholding or deduction.

See Condition 7.

The Notes will initially be represented by the Temporary Global Note, without interest coupons, which will be deposited on or about the Issue Date with a common depository for Euroclear and Clearstream, Luxembourg. TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes:

The U.S.\$500,000,000 Additional Tier 1 Convertible Notes (the **Notes**, which expression shall in these Terms and Conditions, unless the context otherwise requires, include any further notes issued pursuant to Condition 14) are issued by Skandinaviska Enskilda Banken AB (publ) (the **Bank**) in accordance with an amended and restated fiscal agency agreement dated 7th June, 2021, as supplemented by a supplemental fiscal agency agreement dated 8th June, 2022 (the **Fiscal Agency Agreement**, which expression shall include any further amendments or supplements thereto), each made between the Bank, Citibank, N.A., London Branch in its capacities as fiscal agent and principal paying and conversion agent (the **Fiscal Agent**, which expression shall include any successor to Citibank, N.A., London Branch in its capacity as such) and certain other financial institutions named therein in their capacities as paying and conversion agents (the **Paying and Conversion Agents**, which expression shall include the Fiscal Agent and any substitute or additional paying and conversion agents appointed in accordance with the Fiscal Agency Agreement).

Words and expressions defined in the Fiscal Agency Agreement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Fiscal Agency Agreement and these Terms and Conditions, the Terms and Conditions will prevail.

Any reference to **Noteholders** or **Holder**s in relation to the Notes shall mean the bearers of the Notes. Any reference herein to **Couponholders** shall mean the holders of the Coupons (as defined below) and shall, unless the context otherwise requires, include the holders of the Talons (as defined below).

A copy of the Fiscal Agency Agreement is available for inspection during normal business hours at the specified office of each of the Paying and Conversion Agents. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Fiscal Agency Agreement. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Fiscal Agency Agreement.

1. Form and Denomination

1.01 The Notes are Additional Tier 1 Convertible Notes issued in bearer form, serially numbered and in denominations of U.S.\$200,000 (the **Specified Denomination**).

1.02 The Notes will have attached thereto at the time of their initial delivery (i) interest coupons (**Coupons**), presentation of which will be a prerequisite to the payment of interest in certain circumstances specified below, and (ii) talons for further Coupons (**Talons**). Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons.

2. Title

2.01 Subject as set out below, title to the Notes and Coupons passes by delivery.

2.02 The Holder of any Note or Coupon will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

3. Status

3.01 The Notes constitute unsecured, subordinated obligations of the Bank in respect of which, upon the occurrence of a Trigger Event, the rights and claims of each Holder under the Notes will automatically convert into Class A Shares, as provided in Chapter 15 of the Swedish Companies Act and Condition 5A. In the event of the (a) voluntary or involuntary liquidation (*likvidation*) or (b) the bankruptcy (*konkurs*) of the Bank:

(a) prior to the occurrence of a Trigger Event, the rights of the Holders of the Notes to payments on or in respect of the Notes shall rank:

- (i) junior to any present or future claims of (a) depositors of the Bank, (b) other unsubordinated creditors of the Bank and (c) except as expressed in (iii) below, claims of any other subordinated creditors of the Bank;
 - (ii) *pari passu* without any preference among themselves;
 - (iii) at least *pari passu* with claims of holders of any other outstanding Additional Tier 1 Instruments and claims of any other subordinated creditors the claims of which rank, or are expressed to rank, *pari passu* with the Notes; and
 - (iv) in priority to payments to holders of all classes of share capital of the Bank in their capacity as such holders; and
- (b) on and after the occurrence of a Trigger Event and prior to the Registration Date, the rights and claims of each Holder of the Notes shall be limited to such amount, if any, as would have been payable to that Holder in such liquidation (*likvidation*) or bankruptcy (*konkurs*) of the Bank if the Registration Date had occurred immediately before such liquidation (*likvidation*) or bankruptcy (*konkurs*),

subject, in all cases, to mandatory provisions of Swedish law.

The Bank reserves the right to issue or incur other Additional Tier 1 Instruments in the future, provided, however, that any such Additional Tier 1 Instruments may not in the event of voluntary or involuntary liquidation (*likvidation*) or bankruptcy (*konkurs*) of the Bank rank prior to the Notes.

3.02 No Holder of a Note may at any time exercise or claim any Set-Off Rights against any right, claim or liability of the Bank or that the Bank may have or acquire against such Holder, directly or indirectly and howsoever arising (and including all such rights, claims and liabilities arising under or in relation to any and all agreements or other instruments of any kind or any non-contractual obligation, whether or not relating to that Note) and each Holder of any Note shall be deemed to have waived all Set-Off Rights to the fullest extent permitted by applicable law in relation to all such actual and potential rights, claims and liabilities. Notwithstanding the preceding sentence, if any amount payable by the Bank in respect of, or arising under or in connection with, any Note to any Holder of such Note is discharged by set-off or any netting, such Holder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Bank and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Bank and, accordingly, any such discharge shall be deemed not to have taken place.

Nothing in this Condition 3.02 is intended to provide, or shall be construed as acknowledging, any Set-Off Rights or that any such Set-Off Right is or would be available to any Holder of any Note but for this Condition 3.02.

4. Interest

4A. Interest — Fixed Reset

4A.01 The Notes shall bear interest on their outstanding principal amount, in respect of the period from (and including):

- (i) 8th June, 2022 (the **Interest Commencement Date**) to (but excluding) 30th June, 2027 (the **First Reset Date**) at the rate of 6.875 per cent. per annum (the **Initial Rate of Interest**); and
- (ii) each Reset Date to (but excluding) the next succeeding Reset Date (each a **Reset Period**), at the rate per annum equal to the sum of the Reset Margin and the CMT Rate for such Reset Period (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards), as determined by the Fiscal Agent on the relevant Reset Determination Date,

(each a **Rate of Interest**). Such interest will be payable in arrear on 30th June and 30th December in each year, commencing on 30th December, 2022 (each an **Interest Payment Date**) up to and including the date of redemption, conversion or purchase and cancellation of the Notes. There will be a long first Interest Period from (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date of 30th December, 2022.

The Fiscal Agent will at or as soon as practicable after the relevant time on each Reset Determination Date, determine the Rate of Interest for the relevant Reset Period.

4A.02 Interest will be calculated on the outstanding principal amount of each Note. The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Notes for each Interest Period or other relevant period (from (and including) the first day of such period to (but excluding) the date on which the relevant Interest Amount is payable) within a Reset Period by applying the relevant Rate of Interest to each U.S.\$1,000 in principal amount of the Notes (the **Calculation Amount**), multiplying such sum by the Day Count Fraction and rounding the resultant figure to the nearest cent, half a cent being rounded upwards or otherwise in accordance with applicable market convention. The amount of interest payable in respect of each Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

4A.03 Except in the case of the Initial Rate of Interest, the Fiscal Agent will cause the Rate of Interest and each Interest Amount for each Interest Period within a Reset Period to be notified to the Bank and any stock exchange on which the relevant Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

4A.04 All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4A by the Fiscal Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Bank, the Fiscal Agent, the other Paying and Conversion Agents and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Bank, the Noteholders or the Couponholders shall attach to the Fiscal Agent in connection with the exercise or non exercise by it of its powers, duties and discretions pursuant to such provisions.

4B. Cancellation of Interest

4B.01 The Bank may elect, in its sole and absolute discretion, to cancel any payment of interest that is otherwise scheduled to be paid on an Interest Payment Date in whole or in part at any time and for any reason. Following any such election, the Bank shall give notice to Noteholders in accordance with Condition 13 and to the Fiscal Agent of the cancellation of such interest payment.

Any failure by the Bank to give any such notice to or otherwise to so notify Noteholders will not in any way impact on the effectiveness of, or otherwise invalidate, any cancellation of any payment of interest pursuant to this Condition 4B or give Holders any rights as a result of such failure.

4B.02 Payments of interest in respect of the Notes in any financial year of the Bank shall be made only out of Distributable Items of the Bank. To the extent that (i) the Bank has insufficient Distributable Items to make any payment of interest in respect of the Notes scheduled for payment in the then current financial year and any other interest payments or distributions paid and/or required and/or scheduled to be paid on own funds instruments out of Distributable Items in such financial year in accordance with Applicable Banking Regulations, in each case excluding any portion of such payments already accounted for in determining the Distributable Items of the Bank, and/or (ii) the SFSA, in accordance with Applicable Banking Regulations then in force, requires the Bank to cancel the relevant Distribution in whole or in part, then the Bank will, without prejudice to the right above to cancel all such payments of interest in respect of the Notes, make partial or, as the case may be, no such payment of interest in respect of the Notes.

In these Terms and Conditions, **Distributable Items** shall have the meaning given to such term in CRD V, as interpreted and applied in accordance with Applicable Banking Regulations.

4B.03 No payment of interest will be made in respect of the Notes if and to the extent that such payment would cause the Maximum Distributable Amount (if any) then applicable to the Bank and/or the SEB Group to be exceeded.

4B.04 Interest payments in respect of the Notes will be non-cumulative. Accordingly, if any payment of interest (or part thereof) is not made in respect of the Notes as a result of any (i) election of the Bank to cancel such payment of interest pursuant to Condition 4B.01 above or the limitations on payment set out in Conditions 4B.02 and 4B.03 above or (ii) automatic cancellation of such payment of interest pursuant to Condition 5A.02 below, then the right of the Holders to receive the relevant interest payment (or part thereof) in respect of the relevant Interest Period will be extinguished and the Bank will have no obligation to pay such interest (or part thereof) accrued for

such Interest Period or to pay any interest thereon, whether or not interest on the Notes is paid in respect of any future Interest Period.

If the Bank does not make any payment of interest (or part thereof) on any Interest Payment Date, such non-payment shall evidence the cancellation of such interest payment (or relevant part thereof) in accordance with this Condition 4B or, as appropriate, the Bank's exercise of its discretion to cancel such interest payment (or relevant part thereof) in accordance with this Condition 4B, and accordingly, such interest (or part thereof) shall not in any such case be due and payable.

4B.05 No such election to cancel the payment of any interest (or part thereof) in respect of the Notes pursuant to Condition 4B.01 above or non-payment of any interest (or part thereof) in respect of the Notes as a result of the limitations on payment set out in Conditions 4B.02 and 4B.03 above will constitute an event of default or the occurrence of any event related to the insolvency of the Bank or entitle Holders to take any action to cause the Bank to be declared bankrupt (*konkurs*) or for the liquidation (*likvidation*), winding-up or dissolution of the Bank or in any way limit or restrict the Bank from making any payment of interest or equivalent payment or other distribution in connection with any instrument ranking junior to the Notes (including, without limitation, any CET1 Capital of the Bank or the SEB Group) or in respect of any other Additional Tier 1 Instrument.

5. Loss Absorption, Redemption and Purchase

5A. Loss Absorption

Automatic Conversion upon a Trigger Event

5A.01 If a Trigger Event occurs at any time on or after the Issue Date, then the Notes will be converted automatically (and without any requirement for the consent or approval of Noteholders) into Conversion Shares at the Conversion Price (such conversion, an **Automatic Trigger Conversion**) on the date of such Trigger Event (such date, the **Conversion Date**) as provided in this Condition 5A.

For the purposes of determining whether a Trigger Event has occurred, the Bank will (i) calculate the CET1 ratios of the Bank and the SEB Group based on information (whether or not published) available to management of the Bank, including information internally reported within the Bank pursuant to its procedures for ensuring effective ongoing monitoring of the capital ratios of the Bank and the SEB Group and (ii) calculate and publish the CET1 ratios of the Bank and the SEB Group on at least a quarterly basis.

Effect of Automatic Trigger Conversion

5A.02 From and including the Conversion Date:

- (i) the principal amount of the Notes will be permanently reduced to zero and, accordingly, shall equal zero at all times thereafter;
- (ii) any accrued and unpaid interest in respect of the Notes shall be cancelled automatically and no further interest shall accrue or be due and payable on the Notes at any time thereafter;
- (iii) Holders will have no rights or claim against the Bank with respect to the payment of any principal, interest or other amount on or in respect of the Notes (except as provided in Condition 3.01(b)); and
- (iv) subject to the last paragraph of Condition 5A.07, the Bank's only remaining obligation under the Notes shall be an obligation to deliver Conversion Shares to the Settlement Shares Depository on behalf of the Noteholders on the Interim Conversion Settlement Date and the Registration Date in accordance with this Condition 5A.

An Automatic Trigger Conversion will not constitute an event of default or the occurrence of any event related to the insolvency of the Bank or entitle Holders to take any action to cause the Bank to be declared bankrupt (*konkurs*) or for the liquidation (*likvidation*), winding-up or dissolution of the Bank.

No Optional Conversion or Cash Redemption

5A.03 The Notes are not at any time convertible into Conversion Shares at the option of the Noteholders or the Bank and no amount in respect of the Notes is redeemable in cash as a result of an Automatic Trigger Conversion.

Automatic Trigger Conversion Procedure

5A.04 Upon the occurrence of an Automatic Trigger Conversion, the Bank shall give notice of such Automatic Trigger Conversion (an **Automatic Trigger Conversion Notice**) to Noteholders in accordance with Condition 13 and to the Fiscal Agent (the date on which such notice is given, the **Automatic Trigger Conversion Notice Date**), which notice, in addition to specifying that an Automatic Trigger Conversion has occurred, shall specify the Conversion Price. The Bank shall further give notice to Noteholders in accordance with Condition 13 and to the Fiscal Agent as soon as reasonably practicable following the giving of the Automatic Trigger Conversion Notice of the details of the arrangements for the settlement of the Automatic Trigger Conversion, including the Settlement Shares Offer and the appointment of the Settlement Shares Offer Agent, the Interim Conversion Settlement Date, the expected Registration Date and any appointment of a Selling Agent (the **Automatic Trigger Conversion Settlement Notice**).

Any failure by the Bank to give any such notice to or otherwise to so notify Noteholders will not in any way impact on the effectiveness of, or otherwise invalidate, any Automatic Trigger Conversion, or give Holders any rights as a result of such failure.

Conversion Shares

5A.05 The number of Conversion Shares which are to be issued and delivered in respect of each Note on an Automatic Trigger Conversion shall be determined by dividing the aggregate principal amount of such Note outstanding immediately prior to the Conversion Date by the Conversion Price rounded down, if necessary, to the nearest whole number of Conversion Shares.

The Conversion Shares issued and delivered on an Automatic Trigger Conversion will be fully paid and will in all respects rank *pari passu* with the fully paid Class A Shares in issue on the date on which such Conversion Shares are registered in the Bank's share register through registration of such Conversion Shares in the relevant share accounts maintained with the Share Registrar following registration of the Conversion Shares with the SCRO (such date, the **Registration Date**), except in any such case for any right excluded by mandatory provisions of applicable law and except that such Conversion Shares will only carry a right to dividends, distributions or payments and other rights having a record date or other due date for the establishment or entitlement for which that falls on or after the Registration Date. If the Registration Date is to be other than as specified in the Automatic Trigger Conversion Settlement Notice, the Bank shall give notice of such Registration Date to Noteholders in accordance with Condition 13.

Prior to the Registration Date, such Conversion Shares will be registered in the Bank's share register through registration in the relevant share accounts maintained with the Share Registrar on an interim basis in accordance with the rules and procedures for the time being of the Share Registrar (the Conversion Shares so registered on an interim basis, the **Interim Conversion Shares**).

Delivery of Conversion Shares to Settlement Shares Depositary

5A.06 Subject to the last paragraph of Condition 5A.07, the obligation of the Bank to issue and deliver Conversion Shares to a Noteholder shall be satisfied by the delivery of the Interim Conversion Shares in respect of the Note(s) of such Noteholder to the Settlement Shares Depositary on the Interim Conversion Settlement Date and, following registration with the SCRO, the final delivery of such Conversion Shares to the Settlement Shares Depositary or the relevant holder, as the case may be, as soon as practicable following the Registration Date. Such delivery will be deemed to have occurred when the Interim Conversion Shares and Conversion Shares, respectively are registered in the name of the Settlement Shares Depositary or the relevant holder, as the case may be, by the Share Registrar as described in Condition 5A.05 above. Receipt of the Conversion Shares by the Settlement Shares Depositary and registration of the Conversion Shares with the SCRO shall discharge the Bank's obligations in respect of the Notes.

Noteholders shall have recourse to the Bank only for the issue and delivery of Conversion Shares to the Settlement Shares Depositary and registration of the Conversion Shares with the SCRO pursuant to these Conditions. With effect on and from the delivery of any such Conversion Shares to the Settlement Shares Depositary and their registration with the SCRO, a Noteholder shall have recourse only to the Settlement Shares Depositary for the delivery of the relevant Conversion Shares to be delivered in respect of its Note(s) as determined in accordance with Condition 5A.05 or, in the circumstances described in Conditions 5A.07(iv) and 5A.08, any cash amounts to which that Noteholder is entitled under Conditions 5A.07(iv) or 5A.08, as the case may be.

Procedure for Settlement and Delivery of Conversion Shares to Noteholders

5A.07 On any Automatic Trigger Conversion, the Conversion Shares to be issued and delivered shall be issued and delivered subject to and as provided below:

- (i) on the Interim Conversion Settlement Date and the Registration Date, the Bank shall deliver (in accordance with Condition 5A.06) to the Settlement Shares Depository or the relevant holder, as the case may be, such number of Conversion Shares as is required to satisfy in full its obligation to deliver Conversion Shares on the Interim Conversion Settlement Date and the Registration Date;
- (ii) in order to obtain delivery of the relevant Conversion Shares from the Settlement Shares Depository upon any Automatic Trigger Conversion on or following the Offer Settlement Date, the relevant Noteholder must deliver a duly completed Delivery Notice, together with the relevant Notes held by it, to a Paying and Conversion Agent at its specified office by no later than the 5th Business Day (in the relevant place of delivery) immediately preceding the Offer Settlement Date (such 5th Business Day, the **Notice Cut-off Date**);
- (iii) subject to completion of the Settlement Shares Offer and as otherwise provided herein, the Fiscal Agent shall give instructions to the Settlement Shares Depository for the Conversion Shares not sold pursuant to the Settlement Shares Offer to be delivered by the Settlement Shares Depository on the Offer Settlement Date in accordance with the instructions given in the relevant Delivery Notice, provided that such duly completed Delivery Notice and the relevant Notes have been so delivered not later than the Notice Cut-off Date; and
- (iv) in the case of any Noteholder which fails to deliver a duly completed Delivery Notice, together with the relevant Notes held by it, the relevant Conversion Shares shall, subject to the Settlement Shares Offer, continue to be held by the Settlement Shares Depository on behalf of such Noteholder until such Noteholder delivers a duly completed Delivery Notice, together with its relevant Notes, to a Paying and Conversion Agent as provided above or the sale of such Conversion Shares by a Selling Agent as provided below.

Subject to completion of the Settlement Shares Offer and there being Conversion Shares not sold pursuant to the Settlement Shares Offer, the Bank may in its sole and absolute discretion (and the relevant Holders of such Notes shall be deemed to agree thereto) elect to appoint prior to the Automatic Trigger Conversion a person (the **Selling Agent**) to procure that all Conversion Shares held by the Settlement Shares Depository that are not sold pursuant to the Settlement Shares Offer and in respect of which a duly completed Delivery Notice and the relevant Notes have not been delivered on or before the Notice Cut-Off Date (the **Conversion Share Sale Cut-off Date**), shall be sold by the Selling Agent as soon as reasonably practicable.

In the relevant Automatic Trigger Conversion Settlement Notice, the Bank shall notify Noteholders whether it has appointed a Selling Agent for the sale of any such Conversion Shares. Subject to the deduction by or on behalf of each of the Selling Agent and the Settlement Shares Depository of any amount payable in respect of its liability to taxation and the payment of any capital, stamp, issue, registration and/or transfer taxes and duties (if any) and any fees or costs incurred by or on behalf of the Selling Agent or the Settlement Shares Depository in connection with the issue, allotment and sale thereof, the net proceeds of any such sale of Conversion Shares, converted into U.S. dollars at the Prevailing Exchange Rate on the date of sale of such Conversion Shares, if necessary, shall as soon as reasonably practicable be distributed rateably by the Settlement Shares Depository to the relevant Noteholders in accordance with Condition 8 or in such other manner and at such time as shall be notified to the relevant Noteholders in accordance with Condition 13 and to the Fiscal Agent. Such payment shall for all purposes discharge the obligations of the Bank, the Settlement Shares Depository and the Selling Agent in respect of the Automatic Trigger Conversion of the relevant Notes.

Delivery of the Conversion Shares by the Settlement Shares Depository to Noteholders will be made solely by book-entry with the Share Registrar and no physical share certificate will be delivered to any Noteholder in respect of any Conversion Share. Any Delivery Notice shall be irrevocable. Failure properly to complete and deliver a Delivery Notice and deliver the relevant Notes may result in such Delivery Notice being treated as null and void, and the sale of any applicable Conversion Shares to which the relevant Noteholder may be entitled in accordance

with this Condition 5A.07. Any determination as to whether any Delivery Notice has been properly completed and delivered together with the relevant Note(s) as provided in this Condition 5A.07 shall be made by the Settlement Shares Depository in its sole discretion and shall, in the absence of manifest error, be conclusive and binding on the relevant Noteholder.

For so long as any Conversion Shares are held by the Settlement Shares Depository on behalf of a Noteholder, the Settlement Shares Depository, subject to applicable laws, shall also hold any Cash Dividends and any other dividends or rights distributed to all other Shareholders as a class in respect of such Conversion Shares for such Noteholder. The Settlement Shares Depository shall use its reasonable endeavours to sell any such rights in the open market before expiry and it shall hold the cash proceeds received from such sale (after deduction of any costs or expenses incurred by it in relation thereto) on behalf of each Noteholder. Cash Dividend(s) (and other dividends or rights or proceeds therefrom) shall be paid to the relevant Noteholder in accordance with the instructions given in the relevant Delivery Notice or otherwise in accordance with Condition 8.

The Bank, the Settlement Shares Depository and the Selling Agent shall have no liability in respect of the exercise or non-exercise of any discretion or power pursuant to this Condition 5A.07 or in respect of any sale of any Conversion Shares or rights, whether for the timing of any such sale or the price at or manner in which any such Conversion Shares or rights are sold or the inability to sell any such Conversion Shares or rights.

If the Bank does not appoint the Selling Agent prior to the Automatic Trigger Conversion, or if any Conversion Shares are not sold by the Selling Agent in accordance with this Condition 5A.07, such Conversion Shares shall continue to be held by the Settlement Shares Depository until the relevant Noteholder delivers a duly completed Delivery Notice and the relevant Notes.

Any costs incurred by the Settlement Shares Depository or any parent, subsidiary or affiliate of the Settlement Shares Depository in connection with the holding by the Settlement Shares Depository of any Conversion Shares and any amount received in respect thereof shall be deducted by the Settlement Shares Depository from such amount prior to the delivery of such Conversion Shares and payment of such amount to the relevant Noteholder.

Neither the Settlement Shares Depository nor the Bank shall have any liability to any Noteholder for any loss resulting from such Noteholder not receiving any Conversion Shares (or cash proceeds) or from any delay in the receipt thereof, in each case as a result of such Noteholder failing to deliver a duly completed Delivery Notice and the relevant Notes on a timely basis or at all.

If the Bank has been unable to appoint a Settlement Shares Depository prior to the Automatic Trigger Conversion, it shall make such other arrangements prior to the Automatic Trigger Conversion for the issuance and/or delivery of the Conversion Shares to the Noteholders as it shall consider reasonable in the circumstances, which may include issuing the Conversion Shares to the Noteholders directly, which issuance shall irrevocably and automatically release all of the Bank's obligations under the Notes as if the Conversion Shares had been issued to the Settlement Shares Depository. In such circumstances, the Bank will specify details about the relevant arrangements in the Automatic Trigger Conversion Settlement Notice.

Settlement Shares Offer

5A.08 Prior to the Automatic Trigger Conversion, the Bank shall appoint a placement agent (the **Settlement Shares Offer Agent**) acting on behalf, and for the account, of the Noteholders to conduct an offering of the Conversion Shares (the **Settlement Shares Offer**), which Settlement Shares Offer Agent may be the Bank or a third party. The Settlement Shares Offer shall be made on a *pro rata* basis to all shareholders of the Bank on the applicable record date who are eligible to participate in the Settlement Shares Offer, subject to applicable laws and regulations.

In the relevant Automatic Trigger Conversion Settlement Notice, the Bank shall notify Noteholders of the appointment of the Settlement Shares Offer Agent to conduct the Settlement Shares Offer. The Settlement Shares Depository shall deliver the relevant Conversion Shares to or to the order of the Settlement Shares Offer Agent for this purpose prior to the end of the Offer Settlement Period (as defined below).

The Conversion Shares shall be offered to such shareholders pursuant to the Settlement Shares Offer at a price per Conversion Share equal to the Conversion Price plus the amount necessary to provide for the payment by subscribing shareholders of the Settlement Shares Offer Expenses (as defined below) in order that the cash proceeds received from the Settlement Shares Offer will result in the payment to Noteholders in respect of each Conversion Share to which they would otherwise have been entitled of an amount not less than the Conversion

Price. The Settlement Shares Offer shall be completed in a period of no more than 40 Business Days from (and including) the Business Day immediately following the Conversion Date to (and including) the date of completion of the Settlement Shares Offer (such period, the **Offer Settlement Period**). Neither the Bank nor the Settlement Shares Depositary shall incur any liability whatsoever to the Noteholders in respect of the appointment of the Settlement Shares Offer Agent or its conduct.

In the event of the Settlement Shares Offer being fully subscribed by or before the end of the Offer Settlement Period, Noteholders shall, pursuant to the agreement appointing the Settlement Shares Offer Agent, be entitled to receive from the Settlement Shares Offer Agent on the 5th Business Day from (and including) the Business Day immediately following the end of the Offer Settlement Period (the **Offer Settlement Date**), in respect of each Conversion Share to which they were otherwise entitled, the cash proceeds realised from such sale of such Conversion Share in the Settlement Shares Offer after the deduction by or on behalf of the Settlement Shares Offer Agent and the Settlement Shares Depositary of any amount payable in respect of its liability to taxation and the payment of any capital, stamp, issue, registration and/or transfer taxes and duties (if any) and any fees or costs incurred by or on behalf of the Bank, the Settlement Shares Offer Agent or the Settlement Shares Depositary in connection with the issue, allotment and sale thereof (the **Settlement Shares Offer Expenses**) (being an amount not less than the Conversion Price). In the event that the Settlement Shares Offer is only partially subscribed, Noteholders shall in aggregate be entitled to receive from the Settlement Shares Offer Agent, pursuant to the agreement appointing the Settlement Shares Offer Agent, on a *pro rata* basis (a) the cash proceeds realised from the sale of the relevant Conversion Shares in such Settlement Shares Offer (after the deduction of the Settlement Shares Offer Expenses), which shall be an amount not less than the Conversion Price multiplied by the aggregate number of Conversion Shares sold on the Offer Settlement Date, together with (b) the number of Conversion Shares not subscribed pursuant to the Settlement Shares Offer on the dates described in Condition 5A.07 from the Settlement Shares Depositary. In the case that no Conversion Shares are subscribed in the Settlement Shares Offer, Noteholders shall be entitled to receive the relevant Conversion Shares on the dates described in Condition 5A.07 from the Settlement Shares Depositary.

The Bank shall give notice of the Offer Settlement Date and the Notice Cut-off Date to Noteholders in accordance with Condition 13 promptly following the commencement of the Settlement Shares Offer, which Notice Cut-off Date shall be not less than 10 Business Days following the date of such notice.

Taxes and Duties

5A.09 A Noteholder, Settlement Shares Offer Agent or Selling Agent must pay (in the case of the Settlement Shares Offer Agent or the Selling Agent by means of deduction from the net proceeds of sale referred to in Conditions 5A.07 and 5A.08 above) any taxes and capital, stamp, issue and registration and transfer taxes or duties arising on Automatic Trigger Conversion and such Noteholder, Settlement Shares Offer Agent or the Selling Agent (as the case may be) must pay (in the case of the Settlement Shares Offer Agent or the Selling Agent, by way of deduction from the net proceeds of sale as aforesaid) all, if any, taxes arising by reference to any disposal or deemed disposal of a Note or interest therein.

Fractions

5A.10 Fractions of Conversion Shares will not be issued and delivered on Automatic Trigger Conversion and no cash payment or other adjustment will be made in lieu thereof. Without prejudice to the generality of the foregoing, if one or more Delivery Notices and the related Notes are received by or on behalf of the Settlement Shares Depositary such that the Conversion Shares to be delivered by the Settlement Shares Depositary are to be registered in the same name, the number of such Conversion Shares to be delivered in respect thereof shall be calculated on the basis of the aggregate principal amount of such Notes being so converted and rounded down to the nearest whole number of Conversion Shares.

Where Conversion Shares are to be issued and delivered to the Selling Agent pursuant to Condition 5A.07 above, the number of Conversion Shares to be so issued and delivered shall be calculated on the basis of the aggregate principal amount of the Notes to be converted in respect of which such issue and delivery is to be made and rounded down, if necessary, to the nearest whole number of Conversion Shares.

Adjustment of Floor Price

5A.11 Upon the happening of any of the events described below, the Floor Price shall be adjusted as follows:

- (a) If and whenever there shall be a consolidation (Sw: *sammanläggning*), reclassification (Sw: *omvandling*) or subdivision (Sw: *uppdelning*) affecting the number of Class A Shares, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to such consolidation, reclassification or subdivision by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Class A Shares in issue immediately before such consolidation, reclassification/redesignation or subdivision, as the case may be; and
- B is the aggregate number of Class A Shares in issue immediately after, and as a result of, such consolidation, reclassification/redesignation or subdivision, as the case may be;

Such adjustment shall become effective on the date the consolidation, reclassification or subdivision, as the case may be, takes effect.

- (b) If and whenever the Bank shall issue any Class A Shares credited as fully paid to Shareholders by way of capitalisation of profits or reserves (Sw: *fondemission*) (including any share premium account or capital redemption reserve) other than (i) where any such Class A Shares are or are to be issued instead of the whole or part of a Dividend in cash which the Shareholders would or could otherwise have elected to receive, (ii) where the Shareholders may elect to receive a Dividend in cash in lieu of such Class A Shares or (iii) where any such Class A Shares are or are expressed to be issued in lieu of a Dividend (whether or not a cash Dividend equivalent or amount is announced or would otherwise be payable to Shareholders, whether at their election or otherwise), the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to such issue by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Class A Shares in issue immediately before such issue; and
- B is the aggregate number of Class A Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Class A Shares.

- (c) (i) If and whenever the Bank shall pay any Extraordinary Dividend to Shareholders, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Class A Share on the Effective Date; and
- B is the portion of the Fair Market Value of the aggregate Extraordinary Dividend attributable to one Class A Share, with such portion being determined by dividing the Fair Market Value of the aggregate Extraordinary Dividend by the number of Class A Shares entitled to receive the relevant Dividend.

Such adjustment shall become effective on the Effective Date or, if later, the first date upon which the Fair Market Value of the relevant Extraordinary Dividend can be determined.

Effective Date means, in respect of this Condition 5A.11(c)(i), the first date on which the Class A Shares are traded ex-the relevant Cash Dividend on the Relevant Stock Exchange.

Extraordinary Dividend means any Cash Dividend which is expressed by the Bank or declared by the Board of Directors of the Bank to be a capital distribution, extraordinary dividend, extraordinary distribution, special dividend, special distribution or return of value to Shareholders or any analogous or similar term, in which case the Extraordinary Dividend shall be such Cash Dividend.

- (ii) If and whenever the Bank shall pay or make any Non-Cash Dividend to Shareholders, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Class A Share on the Effective Date; and
- B is the portion of the Fair Market Value of the aggregate Non-Cash Dividend attributable to one Class A Share, with such portion being determined by dividing the Fair Market Value of the aggregate Non-Cash Dividend by the number of Class A Shares entitled to receive the relevant Non-Cash Dividend (or, in the case of a purchase, redemption or buy back of Class A Shares or any depositary or other receipts or certificates representing Class A Shares by or on behalf of the Bank or any member of the SEB Group, by the number of Class A Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Class A Shares, or any Class A Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date or, if later, the first date upon which the Fair Market Value of the relevant Non-Cash Dividend is capable of being determined as provided herein.

Effective Date means, in respect of this Condition 5A.11(c)(ii), the first date on which the Class A Shares are traded ex-the relevant Dividend on the Relevant Stock Exchange or, in the case of a purchase, redemption or buy back of Class A Shares or any depositary or other receipts or certificates representing Class A Shares by or on behalf of the Bank or any member of the SEB Group, the date on which such purchase, redemption or buy back is made (or, in any such case if later, the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein) or in the case of a Spin-Off, the first date on which the Class A Shares are traded ex-the relevant Spin-Off on the Relevant Stock Exchange.

- (iii) For the purposes of the above, Fair Market Value shall (subject as provided in paragraph (a) of the definition of "Dividend" and in the definition of "Fair Market Value") be determined as at the Effective Date.
- (iv) In making any calculations for the purposes of this Condition 5A.11(c), such adjustments (if any) shall be made as an Independent Financial Adviser may determine in good faith to be appropriate to reflect (i) any consolidation or sub-division of any Class A Shares or (ii) the issue of Class A Shares by way of capitalisation of profits or reserves (or any like or similar event) or (iii) any increase in the number of Class A Shares in issue in the Relevant Year in question.
- (d) If and whenever the Bank shall issue Class A Shares to Shareholders as a class by way of rights, or the Bank or any member of the SEB Group or (at the direction or request or pursuant to any arrangements with the Bank or any member of the SEB Group) any other company, person or entity shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Class A Shares, or any Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to acquire, any Class A Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a price per Class A Share which is less than 95 per cent. of the Current Market Price per Class A Share

on the Effective Date, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Class A Shares in issue on the Effective Date;
- B is the number of Class A Shares which the aggregate consideration (if any) receivable for the Class A Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued or granted by way of rights and for the total number of Class A Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Class A Share; and
- C is the number of Class A Shares to be issued or, as the case may be, the maximum number of Class A Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate,

provided that if, on the Effective Date, such number of Class A Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of the Condition 5A.11(d), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(d), the first date on which the Class A Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange.

- (e) If and whenever the Bank or any member of the SEB Group or (at the direction or request or pursuant to any arrangements with the Bank or any member of the SEB Group) any other company, person or entity shall issue any Securities (other than Class A Shares or options, warrants or other rights to subscribe for or purchase or otherwise acquire any Class A Shares or Securities which by their terms carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or rights to otherwise acquire, Class A Shares) to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities (other than Class A Shares or options, warrants or other rights to subscribe for or purchase or otherwise acquire Class A Shares or Securities which by their term carry (directly or indirectly) rights of conversion into, or exchange or subscription for, rights to otherwise acquire, Class A Shares), the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Class A Share on the Effective Date; and
- B is the Fair Market Value on the Effective Date of the portion of the rights attributable to one Class A Share.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(e), the first date on which the Class A Shares are traded ex-the relevant Securities or ex-rights, ex-option or ex-warrants on the Relevant Stock Exchange.

- (f) If and whenever the Bank shall issue (otherwise than as mentioned in Condition 5A.11(d) above) wholly for cash or for no consideration any Class A Shares (other than Class A Shares issued on conversion of the Notes or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or right to otherwise acquire Class A Shares) or if and whenever the Bank or any member of the SEB Group or (at the direction or request or pursuant to any arrangements with the Bank or any member of the SEB Group) any other company, person or entity shall issue or grant (otherwise than as mentioned in Condition 5A.11(d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Class A Shares (other than the Notes, which term shall for this purpose include any Other Contingently Convertible Securities), in each case at a price per Class A Share which is less than 95 per cent. of the Current Market Price per Class A Share on the date of the first public announcement of the terms of such issue or grant, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Class A Shares in issue immediately before the issue of such Class A Shares or the grant of such options, warrants or rights;
- B is the number of Class A Shares which the aggregate consideration (if any) receivable for the issue of such Class A Shares or, as the case may be, for the Class A Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Class A Share on the date of the first public announcement of the terms of such issue or grant; and
- C is the number of Class A Shares to be issued pursuant to such issue of such Class A Shares or, as the case may be, the maximum number of Class A Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights,

provided that if, on the Effective Date, such number of Class A Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of the Condition 5A.11(f), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(f), the date of issue of such Class A Shares or, as the case may be, the grant of such options, warrants or rights.

- (g) If and whenever the Bank or any member of the SEB Group or (at the direction or request of or pursuant to any arrangements with the Bank or any member of the SEB Group) any other company, person or entity (otherwise than as mentioned in Conditions 5A.11(d), 5A.11(e) or 5A.11(f) above) shall issue wholly for cash or for no consideration any Securities (other than the Notes, which term shall for this purpose include any Other Contingently Convertible Securities) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Class A Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified/redesignated as Class A Shares, and the consideration per Class A Share receivable upon conversion, exchange, subscription, purchase, acquisition or redesignation is less than 95 per cent. of the Current Market Price per Class A Share on the date of the first public announcement of the terms of issue of such Securities (or the terms of such grant), the Floor Price shall be

adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Class A Shares in issue immediately before such issue or grant (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for, purchase of, or rights to otherwise acquire Class A Shares which have been issued, purchased or acquired by the Bank or any member of the SEB Group (or at the direction or request or pursuant to any arrangements with the Bank or any member of the SEB Group) for the purposes of or in connection with such issue, less the number of such Class A Shares so issued, purchased or acquired);
- B is the number of Class A Shares which the aggregate consideration (if any) receivable for the Class A Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Class A Shares to be issued or to arise from any such reclassification/redesignation would purchase at such Current Market Price per Class A Share; and
- C is the maximum number of Class A Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Class A Shares which may be issued or arise from any such reclassification/redesignation;.

provided that if, on the Effective Date, such number of Class A Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified/redesignated or at such other time as may be provided), then for the purposes of this Condition 5A.11(g), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition or, as the case may be, reclassification/redesignation had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(g), the date of issue of such Securities or, as the case may be, the grant of such rights.

- (h) If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any such Securities (other than the Notes, which term shall for this purpose include any Other Contingently Convertible Securities) as are mentioned in Condition 5A.11(g) above (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Class A Share receivable has been reduced and is less than 95 per cent. of the Current Market Price per Class A Share on the date of the first public announcement of the proposals for such modification, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Class A Shares in issue immediately before such modification (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for, or purchase or acquisition of, Class A Shares which have been issued, purchased or acquired by the

Bank or any member of the SEB Group (or at the direction or request or pursuant to any arrangements with the Bank or any member of the SEB Group) for the purposes of or in connection with such Securities, less the number of such Class A Shares so issued, purchased or acquired);

- B is the number of Class A Shares which the aggregate consideration (if any) receivable for the Class A Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Class A Share or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and
- C is the maximum number of Class A Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as an Independent Financial Adviser in good faith shall consider appropriate for any previous adjustment under this Condition 5A.11(h) or Condition 5A.11(g) above;

provided that if, on the Effective Date, such number of Class A Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided) then for the purposes of this Condition 5A.11(h), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(h), the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities.

- (i) If and whenever the Bank or any member of the SEB Group or (at the direction or request of or pursuant to any arrangements with the Bank or any member of the SEB Group) any other company, person or entity shall offer any Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Securities may be acquired by them (except where the Floor Price falls to be adjusted under Conditions 5A.11(b), 5A.11(c), 5A.11(d), 5A.11(e) or 5A.11(f) above or Condition 5A.11(j) below (or would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Class A Share on the relevant dealing day)) the Floor Price shall be adjusted by multiplying the Floor Price in force immediately before the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Class A Share on the Effective Date; and
- B is the Fair Market Value on the Effective Date of the portion of the relevant offer attributable to one Class A Share.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 5A.11(i), the first date on which the Class A Shares are traded ex-rights on the Relevant Stock Exchange.

- (j) If the Bank determines that a reduction to the Floor Price should be made for whatever reason, the Floor Price will be reduced (either generally or for a specified period as notified to Noteholders) in such manner and with effect from such date as the Bank shall determine and notify to the Noteholders

Notwithstanding the foregoing provisions:

- (A) where the events or circumstances giving rise to any adjustment pursuant to this Condition 5A.11 have already resulted or will result in an adjustment to the Floor Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Floor Price or where more than one event which gives rise to an adjustment to the Floor Price occurs within such a short period of time that, in the opinion of the Bank, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Financial Adviser to be in its opinion appropriate to give the intended result; and
- (B) such modification shall be made to the operation of these Conditions as may be determined in good faith by an Independent Financial Adviser to be in its opinion appropriate (i) to ensure that an adjustment to the Floor Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once.

For the purpose of any calculation of the consideration receivable or price pursuant to Conditions 5A.11(d), 5A.11(f), 5A.11(g) and 5A.11(h), the following provisions shall apply:

- (1) the aggregate consideration receivable or price for Class A Shares issued for cash shall be the amount of such cash;
- (2) (x) the aggregate consideration receivable or price for Class A Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities and (y) the aggregate consideration receivable or price for Class A Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Bank to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Effective Date as referred to in Conditions 5A.11(d), 5A.11(f), 5A.11(g) or 5A.11(h), as the case may be, plus in the case of each of (x) and (y) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights or subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Class A Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Class A Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;
- (3) if the consideration or price determined pursuant to (1) or (2) above (or any component thereof) shall be expressed in a currency other than the Share Currency, it shall be converted into the Share Currency at the Prevailing Exchange Rate on the relevant Effective Date (in the case of (1) above) or the relevant date of first public announcement (in the case of (2) above);
- (4) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Class A Shares or Securities or options, warrants or rights, or otherwise in connection therewith; and
- (5) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable regardless of whether all or part thereof is received, receivable, paid or payable by or to the Bank or another entity.

Decision of an Independent Financial Adviser

5A.12 If any doubt shall arise as to whether an adjustment falls to be made to the Floor Price or as to the appropriate adjustment to the Floor Price, and following consultation between the Bank and an Independent

Financial Adviser, a written determination of such Independent Financial Adviser in respect thereof shall be conclusive and binding on all parties, save in the case of manifest error.

Share or Option Schemes

5A.13 No adjustment will be made to the Floor Price where Class A Shares or other Securities (including rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive or non-executive office or the personal service company of any such person) or their spouses or relatives, in each case, of the Bank or any of member of the SEB Group or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option or similar scheme.

Rounding Down and Notice of Adjustment to the Floor Price

5A.14 On any adjustment, the resultant Floor Price, if a number of more decimal places than the initial Floor Price, shall be rounded down to such decimal place. No adjustment shall be made to the Floor Price where such adjustment (rounded down if applicable) would be less than 1 per cent. of the Floor Price then in effect. Any adjustment not required to be made and/or any amount by which the Floor Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

Notice of any adjustments to the Floor Price shall be given by the Bank to Noteholders in accordance with Condition 13 and to the Fiscal Agent promptly after the determination thereof.

Purchase or Redemption of Class A Shares

5A.15 The Bank or any member of the SEB Group may exercise such rights as it may from time to time enjoy to purchase or redeem or buy back any shares of the Bank (including Class A Shares) or any depositary or other receipts or certificates representing the same without the consent of the Noteholders.

5B. Redemption and Purchase

No Final Maturity

5B.01 The Notes have no final maturity and are only redeemable or repayable in accordance with the relevant provisions set out in this Condition 5B. The Notes are not redeemable at the option of the Noteholders at any time.

Issuer Call

5B.02 The Bank may, upon the expiry of the appropriate notice, redeem all (but not some only), of the Notes then outstanding on the First Reset Date or at any time thereafter and at their outstanding principal amount together, if appropriate, with interest accrued to (but excluding) the relevant redemption date.

The appropriate notice referred to in this Condition 5B.02 is a notice given by the Bank to the Fiscal Agent and the Holders of the Notes, which notice shall be signed by two duly authorised officers of the Bank and shall specify:

- (i) that the Notes are subject to redemption; and
- (ii) the due date for such redemption, which shall be the First Reset Date or any time thereafter which, in each case, is not more than 30 days and not less than 5 days after the date on which such notice is validly given.

Subject to Condition 5B.07 below, any such notice shall be irrevocable, and the delivery thereof shall oblige the Bank to make the redemption therein specified.

Redemption upon Tax Event or Capital Event

5B.03 Upon the occurrence of a Tax Event or a Capital Event, the Bank may, at its option, having given not less than 5 days' nor more than 30 days' notice to the Holders of the Notes in accordance with Condition 13 (which notice, subject to Condition 5B.07 below, shall be irrevocable), at any time redeem all (but not some only) of the Notes at their outstanding principal amount together, if appropriate, with interest accrued to (but excluding) the date of redemption.

Purchase of Notes

5B.04 The Bank may purchase Notes in the open market or otherwise and at any price provided that all (if any) Coupons and Talons appertaining thereto are purchased therewith.

Cancellation of Redeemed and Purchased Notes

5B.05 All Notes redeemed or purchased in accordance with this Condition 5B and all Coupons and Talons attached thereto or surrendered or purchased therewith will be cancelled and may not be reissued or resold. References in this Condition 5B to the purchase of Notes by the Bank shall not include the purchase of Notes otherwise than as beneficial owner.

SFSA approval

5B.06 Any redemption or purchase of Notes pursuant to this Condition 5B is subject to the prior approval of the SFSA (where such prior approval is required pursuant to Applicable Banking Regulations) and Applicable Banking Regulations then in force.

Occurrence of a Trigger Event

5B.07 No notice of redemption or substitution or variation of the Notes shall be given pursuant to this Condition 5B following the occurrence of a Trigger Event. If any notice of redemption or substitution or variation of the Notes is given pursuant to this Condition 5B and prior to the relevant redemption date or substitution or variation of the Notes a Trigger Event occurs, the relevant redemption or substitution or variation notice shall be automatically rescinded and shall be of no force and effect, there shall be no redemption of the Notes on such redemption date or substitution or variation of the Notes, as applicable, and, instead, an Automatic Trigger Conversion shall occur as provided under Condition 5A.

Substitution or Variation instead of Redemption

5B.08 If at any time a Tax Event or a Capital Event occurs, or to ensure the effectiveness or enforceability of Condition 16.03, the Bank may, to the extent permitted at any time by Applicable Banking Regulations and subject to the prior approval of the SFSA, (without any requirement for the consent or approval of the Holders of the Notes) and having given not less than 5 nor more than 30 days' notice to the Fiscal Agent and, in accordance with the Conditions, the Holders of the Notes (which notice, subject to Condition 5B.07 above, shall be irrevocable), at any time either substitute all (but not some only) of the Notes for, or vary the terms of the Notes accordingly, provided that they remain or, as appropriate, so that they become, Qualifying Additional Tier 1 Securities.

5C. Undertakings

Whilst any Note remains outstanding, the Bank will, save with the approval of an Extraordinary Resolution:

- (a) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on Conversion, Class A Shares could not, under any applicable law then in effect, be legally issued as fully paid;
- (b) if any offer is made to all (or as nearly as may be practicable all) Shareholders (or all (or as nearly as may be practicable all) such Shareholders other than the offeror and/or any associates of the offeror) to acquire all or a majority of the issued Class A Shares, or if a scheme is proposed with regard to such acquisition (other than a Newco Scheme), give notice of such offer or scheme to the Noteholders at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the specified offices of the Paying and Conversion Agents and, where such an offer or scheme has been recommended by the board of directors of the Bank, or where such an offer has become or been declared unconditional in all respects or such scheme has become effective, use all reasonable endeavours to procure that a like offer or scheme is extended to the holders of any Conversion Shares issued during the period of the offer or scheme and/or to the holders of the Notes;
- (c) in the event of a Newco Scheme, take (or shall procure that there is taken) all necessary action to ensure that such amendments are made to these Conditions immediately after completion of the Scheme of Arrangement as are necessary to ensure that the Notes may be converted into or exchanged for ordinary shares in Newco (or depositary or other receipts or certificates representing ordinary shares of Newco) *mutatis mutandis* in accordance with and subject to these Conditions and the ordinary shares of Newco are:
 - (i) admitted to the Relevant Exchange; or

- (ii) listed and/or admitted to trading on another recognised stock exchange,
and the Noteholders irrevocably authorise the Bank to make such amendments to these Conditions without the need for any further authorisation from the Noteholders;
- (d) issue, allot and deliver Class A Shares upon Conversion subject to and as provided in Condition 5A;
- (e) use all reasonable endeavours to ensure that its issued and outstanding Class A Shares and the Class A Shares issued upon Conversion will be admitted to listing and trading on the Relevant Stock Exchange or will be listed and/or admitted to trading on another recognised stock exchange;
- (f) ensure that all necessary steps are taken for the registration with the SCRO of the Conversion Shares as soon as practicable following the relevant Conversion Date and that on the business day in Stockholm immediately following such registration (which date shall be not later than one month following (or such other period as Applicable Banking Regulations may require) the Conversion Date) the Bank will register or procure that there is registered in the Bank's share register through registration in the share accounts maintained with the Share Registrar the Settlement Shares Depository or other relevant holder of the relevant number of Conversion Shares and, pending such registration with the SCRO, procure that such Conversion Shares are registered on an interim basis in the Bank's share register through registration in the share accounts maintained with the Share Registrar as soon as practicable following the relevant Conversion Date;
- (g) at all times keep available for issue, free from pre-emptive rights out of its authorised but unissued capital, sufficient authorised but unissued Class A Shares to enable Conversion of the Notes, and all rights of subscription and exchange for Class A Shares, to be satisfied in full; and
- (h) where the provisions of Condition 5A require or provide for a determination by an Independent Financial Adviser or a role to be performed by a Settlement Shares Depository and/or a Settlement Shares Offer Agent, the Bank shall use all reasonable endeavours promptly to appoint such person for such purpose.

6. No Events of Default and Holders may Claim in Bankruptcy or Liquidation only

If the Bank is declared bankrupt (*konkurs*) or put into liquidation (*likvidation*), in each case by a court or agency or supervisory authority in the Kingdom of Sweden having jurisdiction in respect of the same, the Holder of any Note may prove or claim in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank, whether in the Kingdom of Sweden or elsewhere and instituted by the Bank itself or by a third party, for payment in respect of the outstanding principal amount of such Note together with interest accrued to (but excluding) the date of commencement of the relevant bankruptcy (*konkurs*) or liquidation (*likvidation*) proceedings to the extent not cancelled but subject to such Holder only being able to claim payment in respect of the Note in the bankruptcy (*konkurs*) or liquidation (*likvidation*) of the Bank and subject further as provided in Condition 3.01(b).

7. Taxation

7.01 All amounts payable (whether in respect of principal, interest or otherwise) in respect of the Notes will be made free and clear of and without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the Kingdom of Sweden or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes or duties is required by law.

In that event, in the case of any amount payable in respect of interest (but not principal or otherwise) the Bank will (to the extent such payment can be made out of Distributable Items on the same basis as for payment of any amount in respect of interest in accordance with Condition 4) pay such additional amounts as may be necessary in order that the net amounts receivable by the Holders in respect of such interest after such withholding or deduction shall equal the respective amounts in respect of such interest which would have been receivable in the absence of such withholding or deduction, except that no such additional amounts shall be payable in respect of any Note or Coupon:

- (i) the Holder of which is liable to such taxes or duties in respect of such Note or Coupon by reason of his having some connection with the Kingdom of Sweden other than the mere holding of such Note or Coupon; or

- (ii) presented for payment (where presentation is required) more than 30 days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on the expiry of such period of 30 days.

Notwithstanding any other provision of these Terms and Conditions, in no event will the Bank be required to pay any additional amounts in respect of the Notes, Receipts and Coupons for, or on account of, any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, or any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

7.02 For the purposes of these Terms and Conditions, the **Relevant Date** means the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Fiscal Agent on or prior to such due date, it means the first date on which the full amount of such moneys has been so received and notice to that effect shall have been duly given to the Holders of the Notes in accordance with Condition 13.

7.03 Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include any additional amounts which may be payable with respect to such amounts under this Condition 7.

8. Payments

8A. Payment

8A.01 Subject as provided below payments will be made by credit or transfer to a U.S. dollar account maintained by the payee with, or, at the option of the payee, by a cheque in U.S. dollars drawn on, a bank in New York City.

8A.02 Payments of principal in respect of the Notes will (subject as provided below) be made in the manner provided in Condition 8A.01 only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Notes, and payments of interest in respect of the Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying and Conversion Agent outside the **United States** (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Notes should be presented for payment together with all Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Note becoming due and repayable, all Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

If the due date for redemption of any Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Note.

8A.03 Notwithstanding the foregoing provisions of this Condition 8, if any amount of principal and/ or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/ or interest in respect of such Notes will be made at the specified office of a Paying and Conversion Agent in the United States if:

- (i) the Bank has appointed Paying and Conversion Agents with specified offices outside the United States with the reasonable expectation that such Paying and Conversion Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Bank, adverse tax consequences to the Bank.

8B. Payments — General Provisions

8B.01 Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction, but without prejudice to the provisions of Condition 7, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto.

8B.02 If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the Holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 9) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the relevant place of presentation; and
- (ii) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in New York City.

9. Prescription

9.01 The Notes and Coupons will become void unless presented for payment within ten years (or, in the case of Coupons, five years) after the due date for payment.

9.02 There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 9 or Condition 8A.02 or any Talon which would be void pursuant to Condition 8A.02.

10. The Paying and Conversion Agents

The initial Paying and Conversion Agents and their respective initial specified offices are specified below. The Bank reserves the right at any time to vary or terminate the appointment of any Paying and Conversion Agent (including the Fiscal Agent) and to appoint additional or other Paying and Conversion Agents provided that it will at all times maintain (i) a Fiscal Agent and (ii) so long as any Notes are listed on any stock exchange, a Paying and Conversion Agent with a specified office in such place as may be required by the rules and regulations of such stock exchange and any other relevant authority. The Paying and Conversion Agents reserve the right at any time to change their respective specified offices to some other specified office in the same city. Notice of all changes in the identities or specified offices of the Paying and Conversion Agents will be notified promptly to the Holders.

In addition, the Bank shall forthwith appoint a Paying and Conversion Agent having a specified office in New York City in the circumstances described in Condition 8A.03. Notice of any variation, termination, appointment or change in Paying and Conversion Agents will be given to the Noteholders promptly by the Bank in accordance with Condition 13.

In acting under the Fiscal Agency Agreement, the Paying and Conversion Agents act solely as agents of the Bank and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Fiscal Agency Agreement contains provisions permitting any entity into which any Paying and Conversion Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

11. Replacement of Notes

If any Note, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent, subject to all applicable laws and the requirements of any stock exchange, listing

authority and/or quotation system on which the relevant Notes are listed, traded and/or quoted upon payment by the claimant of all expenses incurred in such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Bank and the Fiscal Agent may require. Mutilated or defaced Notes, Coupons and Talons must be surrendered before replacements will be delivered therefor.

12. Meetings of Holders and Modification

The Fiscal Agency Agreement contains provisions, which are binding on the Bank and the Holders of Notes and Coupons, for convening meetings (including by way of conference call or by use of a videoconference platform) of the Holders of the Notes to consider matters affecting their interests, including the modification or waiver of the Terms and Conditions applicable to the Notes.

The Fiscal Agent and the Bank may agree, without the consent of the Noteholders or Couponholders, to:

- (i) any modification of the Notes, the Coupons or the Fiscal Agency Agreement which is not prejudicial, as to be determined by the Bank, to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Coupons or the Fiscal Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

13. Notices

To Holders of Notes

13.01 Notices to Holders of Notes will be deemed to be validly given if published in a leading daily newspaper having general circulation in London (which is expected to be the *Financial Times*) or if such publication is not practicable, if published in a leading English-language newspaper having general circulation in Europe or in the United Kingdom and otherwise if given in compliance with the requirements of each stock exchange, listing authority and/or quotation system on which the Notes are listed, admitted to trading and/or quoted. Any notice so given will be deemed to have been validly given on the date of such publication (or, if published more than once, on the date of first such publication).

To the Bank

13.02 Notices to the Bank will be deemed to be validly given if delivered at Kungsträdgårdsgatan 8, SE-106 40 Stockholm, Kingdom of Sweden and clearly marked on their exterior “Urgent — Attention: SEB Group Treasury” (or at such other address and for such other attention as may have been notified to the Holders of the Notes in accordance with this Condition 13) and will be deemed to have been validly given at the opening of business on the next day on which the Bank’s principal office is open for business.

14. Further Issues

The Bank may from time to time without the consent of the Holders create and issue further notes, bonds or debentures having the same terms and conditions as the Notes in all respects (or in all respects except for the amount and date of the first payment of interest on them) so as to form a single series with the outstanding Notes.

15. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying and Conversion Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

16. Governing Law and Jurisdiction; Bail-in and Loss Absorption Power

16.01 The Notes, the Fiscal Agency Agreement and any non-contractual obligations arising out of or in respect of the Notes and the Fiscal Agency Agreement are governed by, and shall be construed in accordance with, English law, except with respect to Condition 3, the conversion (if any) of the Notes into Conversion Shares and any Compulsory Acquisition Proceedings, which are governed by, and shall be construed in accordance with, the laws

of the Kingdom of Sweden. Any non-contractual obligations arising out of or in respect of Conditions 3, the conversion (if any) of the Notes into Conversion Shares and any Compulsory Acquisition Proceedings are governed by, and shall be construed in accordance with, the laws of the Kingdom of Sweden.

16.02 The Bank irrevocably agrees for the benefit of the Holders of the Notes that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes (respectively, **Proceedings** and **Disputes**), which may arise out of or in connection with the Notes (including any Proceedings or Disputes relating to any non-contractual obligations arising out of or in connection with the Notes but with the exception of any Compulsory Acquisition Proceedings, which shall be determined in accordance with Chapter 22 of the Swedish Companies Act) and, for such purposes, irrevocably submits to the jurisdiction of such courts. The Bank irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes and agrees not to claim that any such court is not a convenient or appropriate forum. The Bank agrees that the process by which any Proceedings in England are begun may be served on it by being delivered to it at its London branch at One Carter Lane, London EC4V 5AN. In the event of the Bank's London branch ceasing so to act or ceasing to be registered in England, it shall forthwith appoint a person in England to accept service of process on its behalf in England and notify the name and address of such person to the Holders in accordance with Condition 13. Nothing contained herein shall affect the right to serve process in any other manner permitted by law. The submission to the jurisdiction of the courts of England shall not (and shall not be construed so as to) limit the right of the Holders or any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.

16.03 Notwithstanding any other term of the Notes or any other agreements, arrangements, or understandings between the Bank and any Noteholder, by its acquisition of the Notes, each Noteholder (which, for the purposes of this Condition 16.03, includes each holder of a beneficial interest in the Notes) acknowledges, accepts, consents to and agrees to be bound by:

- (a) the exercise and effect of the exercise of any Bail-in and Loss Absorption Power by the Resolution Authority with respect to the Notes, which may be imposed with or without any prior notice and include and result in any of the following, or some combination thereof:
 - (i) the reduction or cancellation of all, or a portion, of the Amounts Due;
 - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Bank or another person (and the issue to or conferral on the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes;
 - (iii) the cancellation of the Notes; and
 - (iv) the amendment or alteration of the provisions of the Notes by which the Notes have no final maturity or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period; and

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE REPRESENTED BY THE GLOBAL NOTES

*The following is a summary of the provisions to be contained in the Temporary Global Note and the Permanent Global Note (together the **Global Notes**) which will apply to, and in some cases modify, the Terms and Conditions of the Notes while the Notes are represented by the Global Notes.*

1. Accountholders

For so long as all of the Notes are represented by one or both of the Global Notes and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of such Notes (each an **Accountholder**) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated as the holder of that principal amount for all purposes (including but not limited to, for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Holders) other than with respect to the payment of principal and interest on such principal amount of such Notes, the right to which shall be vested, as against the Bank solely in the bearer of the relevant Global Note in accordance with and subject to its terms. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for its share of each payment made to the bearer of the relevant Global Note.

2. Payments

No payment will be made on the Temporary Global Note unless exchange for an interest in the Permanent Global Note is improperly withheld or refused. Payments of principal and interest in respect of Notes represented by a Global Note will, subject as set out below, be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of such Global Note to the order of the Fiscal Agent or such other Paying and Conversion Agent as shall have been notified to the Holders for such purposes. A record of each payment made will be endorsed on the appropriate part of the schedule to the relevant Global Note by or on behalf of the Fiscal Agent, which endorsement shall be *prima facie* evidence that such payment has been made in respect of the Notes. Payments of interest on the Temporary Global Note (if permitted by the first sentence of this paragraph) will be made only upon certification as to non-U.S. beneficial ownership unless such certification has already been made.

3. Notices

For so long as all of the Notes are represented by one or both of the Global Notes and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg (as the case may be) for communication to the relevant Accountholders rather than by publication as required by Condition 13, provided that, so long as the Notes are listed on any stock exchange, notices shall also be published in accordance with the rules of such exchange. Any such notice shall be deemed to have been given to the Holders on the day after the day on which such notice is delivered to Euroclear and/or Clearstream, Luxembourg (as the case may be) as aforesaid.

Whilst any of the Notes held by a Holder are represented by a Global Note, notices to be given by such Holder may be given by such Holder (where applicable) through the applicable clearing system's operational procedures approved for this purpose and otherwise in such manner as the Fiscal Agent and the applicable clearing system may approve for this purpose.

4. Interest Calculation

For so long as Notes are represented by one or both of the Global Notes, interest payable to the bearer of a Global Note will be calculated by applying the Rate of Interest to the principal sum for the time being outstanding of the Global Note and multiplying the sum by the Day Count Fraction. The resultant figure is rounded to the nearest cent (half a cent being rounded upwards).

5. Exchange and benefits

The Permanent Global Note will be exchangeable in whole but not in part (free of charge to the holder) for definitive Notes only if (each of the following being an Exchange Event):

- (a) an event as set out in Condition 6 has occurred and is continuing; or
- (b) the Bank has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (c) the Bank has or will become subject to adverse tax consequences which would not be suffered were the Notes in definitive form.

The Bank will promptly give notice to Holders if an Exchange Event occurs. Thereupon, in the case of (a) or (b) above, the holder of the Permanent Global Note, acting on the instructions of one or more of the Accountholders (as defined below), may give notice to the Bank and the Fiscal Agent and, in the case of (c) above, the Bank may give notice to the Fiscal Agent of its intention to exchange the Permanent Global Note for definitive Notes. Any exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Fiscal Agent. Exchanges will be made upon presentation of the Permanent Global Note at the office of the Fiscal Agent on any day on which banks are open for general business in London. In exchange for the Permanent Global Note the Bank will deliver, or procure the delivery of, an equal aggregate principal amount of definitive Notes (having attached to them all Coupons in respect of interest which has not already been paid on the Permanent Global Note), security printed in accordance with any applicable legal and stock exchange requirements and in or substantially in the form set out in the Agency Agreement. On exchange of the Permanent Global Note, the Bank will procure that it is cancelled and, if the holder so requests, returned to the holder together with any relevant definitive Notes.

In the event that (a) the Global Note (or any part hereof) has become due and repayable in accordance with the Conditions and payment in full of the amount due has not been made to the bearer in accordance with the foregoing or (b) the Global Note has become exchangeable for definitive Notes and default is made by the Bank in the required delivery of such definitive Notes or (c) the Bank is declared bankrupt (*konkurs*) or put into liquidation (*likvidation*), in each case by a court or agency or supervisory authority in the Kingdom of Sweden having jurisdiction in respect of the same, then, unless (in the case of (a) above) within the period of seven days commencing on the relevant due date payment in full of the amount due in respect of this Global Note is received by the bearer in accordance with the foregoing or (in the case of (b) above) by 6.00 p.m. (London time) on the thirtieth day after the day on which delivery of the definitive Notes were first due to be made, such delivery has not been made, then each Accountholder shall have from such seventh or thirtieth day (as the case may be) Direct Rights against the Bank on, and subject to, the terms of the Deed of Covenant executed by the Bank on 18th June, 2014 in respect of the Notes and the bearer will have no further rights under the Global Note to the extent such rights are exercised by way of any exercise of Direct Rights by an Accountholder (with the capitalised terms used in this paragraph that are defined in the Deed of Covenant to have the same meaning when used herein).

6. Prescription

Claims against the Bank in respect of principal and interest on the Notes represented by a Global Note will be prescribed after 10 years (in the case of principal) and five years (in the case of interest) from the Relevant Date (as defined in Condition 7).

7. Cancellation

Cancellation of any Note represented by a Global Note and required by the Conditions to be cancelled following its redemption or purchase will be effected by endorsement by or on behalf of the Fiscal Agent of the reduction in the principal amount of the relevant Global Note on the relevant part of the schedule thereto.

8. Euroclear and Clearstream, Luxembourg

Notes represented by a Global Note are transferable in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as appropriate. References in the Global Notes and this summary to Euroclear and/or Clearstream, Luxembourg shall be deemed to include references to any other clearing system through which interests in the Notes are held.

9. Delivery Notices

Notwithstanding the provisions of Condition 5A, if the Notes are represented by the Global Note and held through Euroclear or Clearstream, Luxembourg, the Holder shall give a Delivery Notice to a Paying and Conversion Agent in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg prior to the Notice Cut-off Date (which may include notice being given on its instruction by Euroclear or Clearstream, Luxembourg or any common depository for them to the Settlement Shares Depository by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time with the following details: (1) the name of the Holder; (2) the principal amount of Notes held by it; (3) the Euroclear Sweden AB account details; and (4) such other details as Euroclear or Clearstream, Luxembourg may require. Any reference in the Conditions to the delivery of Delivery Notices shall be construed accordingly.

DESCRIPTION OF THE CLASS A SHARES

Form and denomination

The Class A Shares are denominated in SEK and their quota value is SEK 10.07 per share as at the date of this Information Memorandum.

The Class A Shares are issued in electronic form and presently registered in the electronic securities system of Euroclear Sweden AB which also maintains the Bank's share register. No share certificates are issued with respect to the Class A Shares. The address of Euroclear Sweden AB is Box 191, SE-10123 Stockholm, Sweden.

The Class A Shares have been issued, and any new Class A Shares will be issued, in accordance with Swedish law. The rights associated with the Class A Shares that are set forth in the Articles of Association of the Bank, can only be changed in accordance with the procedures stipulated in the Swedish Companies Act (2005:551), the Swedish Banking and Financing Business Act (2004:297) and the Swedish Resolution Act (2015:1016). Furthermore, any amendments to the Bank's Articles of Association will be subject to the approval of the Swedish FSA.

Supervisory approval for certain acquisitions of Class A Shares

Under Swedish law, direct or indirect acquisitions of Class A Shares, as well as shares of any other share class in the Bank, require approval from the Swedish FSA when resulting in a qualified holding. A holding is qualified if it amounts to 10 per cent. or more of the capital or of all the voting rights in the Bank or otherwise renders it possible to exercise a significant influence over the management of the Bank. Approval is also required each time a qualified holding increases so that it amounts to or exceeds 20, 30 or 50 per cent. of the capital or of all voting rights in the Bank or such that it causes the Bank to become a subsidiary pursuant to Swedish law. These rules apply to purchases as well as other methods of acquiring shares, for example conversion of the Notes into Class A Shares. If approval is granted by the Swedish FSA, the direct or indirect shareholder will have continuous obligations in respect of its holding, among others a requirement to notify the Swedish FSA about changes in its holding of shares and changes in its management. Also, the Swedish FSA may order the shareholder to sell all or part of its shares.

Non-compliance with such disclosure and/or approval requirements may lead to the incurrance by the Holder of substantial fines and/or suspension of voting rights associated with the shares it holds, including Class A Shares, and/or a refusal on the part of the SFSA to provide the relevant approval in respect of the acquisition of shares by the Holder, including the Class A Shares to be issued to the Holder on conversion of the Notes,.

Reporting requirements at certain levels of shareholding

As long as shares in the Bank are listed on a regulated market in the EEA anyone acquiring or disposing of shares, including the Class A Shares, or following any changes in holdings due to corporate actions by the Bank, must report its holding to the Bank and to the Swedish FSA each time the total number of shares or voting rights of that shareholder reaches, exceeds or falls below 5, 10, 15, 20, 25, 30, 50, 66 2/3 or 90 per cent. This applies regardless of whether the shareholder has acquired the Class A Shares by way of a conversion of the Notes or if the change has occurred in any other way. When calculating the number of shares or voting rights the shareholder must include shares held by certain other related persons or entities as further detailed in Swedish legislation.

Non-compliance with such disclosure and/or approval requirements may lead to the incurrance by the Holder of substantial fines and/or suspension of voting rights associated with the shares, including the Class A Shares.

Mandatory bids

A holder of less than 30 per cent. of the voting rights of the Bank (or someone holding no voting rights) who acquires Class A Shares (or shares of other classes) to such an extent that its total holding, including such holdings held by certain other related persons or entities as further detailed in Swedish legislation, amounts to at least 30 per cent. of the voting rights of the Bank is obliged pursuant to the Swedish Stock Market (Takeover Bids) Act (2006:451) (as amended or replaced from time to time) implementing Directive 2004/25/EC of the European

Parliament and of the Council to immediately publish the size of its holding (together with those of related parties) and, no later than four weeks thereafter, make a public offering for the remaining outstanding shares in the Bank.

Right to attend general meetings of shareholders

At general meetings of shareholders each Class A Share carries one vote. Each shareholder is entitled to participate in general meetings and vote for the full number of Class A Shares held by such shareholder. A shareholder is entitled to bring not more than two assistants and to be represented by proxy. on a general meeting of shareholders. A shareholder who wishes to attend a general meeting and vote for its Class A Shares must be registered in the share register of the Bank on the record date determined for such purpose. The notice convening the meeting includes instructions on how to give notice of attendance at the general meeting. Notices convening general meetings shall be made by public notice in Post och Inrikes Tidningar (the Swedish Official Gazette) and by way of the notice being made available on the Bank's web site. Information that the notice has been issued shall be made public in the Swedish daily newspapers Dagens Nyheter and Svenska Dagbladet at the time of the notice. Notice of a general meeting must not be made earlier than 6 weeks prior to the date of the meeting and no later than 3 or in some cases 4 weeks before the date of the meeting.

Resolutions of general meetings of shareholders can usually be made by a majority of more than 50 per cent. of the votes cast but in some cases higher majority requirements apply, in particular if the rights of shareholders will be affected.

At general meetings of the Bank and pursuant to the Swedish Companies Act, the Board of Directors and the CEO are under a duty to, upon request by any shareholder and where the Board of Directors believes that such may take place without material damage to the Bank, provide information regarding any circumstances which may affect the assessment of a matter on the agenda or of the Bank's financial situation (the latter normally only at the annual general meeting). Such duty to provide information also applies to the Bank's relation to other group companies, the consolidated accounts and such circumstances regarding subsidiaries as specified in the foregoing sentence.

Right to receive dividends

Any declaration of dividends under Swedish law must be adopted by the general meeting. Dividends may only be declared to the extent there are distributable funds in the Bank and to the extent that such declaration is prudent taking into consideration the demands, with respect to size of shareholders' equity, which are imposed by the nature, scope and risks associated with operations and the Bank's need to strengthen its balance sheet, liquidity and financial position. The shareholders may not, as a general rule, declare higher dividends than the Board of Directors has proposed or approved.

Shareholders owning in aggregate not less than a tenth of all outstanding shares have the right to demand payment of dividends from the profits of the Bank. Following such request, the annual general meeting shall resolve upon the distribution of one-half of the remaining profit for the year pursuant to the adopted balance sheet after certain deductions have been made. The general meeting is not, however, obliged to resolve upon dividends in excess of 5 per cent. of the Bank's shareholders' equity. Further, the general meeting may never declare dividends in excess of distributable funds nor in violation of the prudence rule described above.

Dividends are normally paid in cash but may also be paid in kind. Persons registered as owners of the Class A Shares in the share register on the record date established by the general meeting will be entitled to receive dividends.

Neither the Swedish Companies Act nor the Bank's Articles of Association contain any restrictions regarding the dividend rights of shareholders resident outside Sweden. Subject to any restrictions pursuant to the bank and clearing system, payment to such shareholders is executed in the same manner as for shareholders resident in Sweden. However, shareholders with a tax domicile outside Sweden are normally subject to Swedish withholding tax. See "*Taxation – Swedish Taxation*".

Preferential rights in case of new share issues

In the event that the Bank resolves to issue new Class A Shares, whether in a cash issue or an issue where the new Class A Shares shall be paid for by way of set-off, all shareholders will typically have preferential rights to the new Class A Shares in relation to the number of Class A Shares held in the Bank. For details of circumstances in which there will be an adjustment to the Floor Price in connection with any Automatic Trigger Conversion, please see the "Terms and Conditions of the Notes". For the avoidance of doubt, any new Class A Shares issued pursuant to the conversion of the Notes (in accordance with their terms) will not be subject to the preferential rights of the shareholders mentioned above although they will be subject to the Settlement Shares Offer (see Condition 5A).

Class A Share repurchases by the Bank

Since the Class A Shares are listed on a regulated market, the Swedish Companies Act allows the Bank to repurchase Class A Shares in a total number not exceeding 10 per cent. of the outstanding shares, either by purchasing them on a regulated market or by way of a public offering. Any decision by the Bank to repurchase Class A Shares must be made by a general meeting of shareholders or by the board of directors following a mandate given by a general meeting of shareholders, in both cases requiring a majority of at least 2/3 of the votes cast as well as of the Class A Shares represented at the meeting.

Information to shareholders

The Bank normally discloses information to its shareholders by publication of press releases and/or by making the information available on its website.

Compulsory acquisition proceedings

Pursuant to the Swedish Companies Act, a shareholder that directly or indirectly holds more than 90 per cent. of the shares in the Bank is entitled to acquire the other shareholders' Class A Shares and each minority shareholder is entitled to require such majority shareholder to acquire its Class A Shares. A majority shareholder that exercises such right to acquire the outstanding Class A Shares in the Bank is also entitled to acquire any convertibles (including the Notes) or warrants issued by the Bank. Each holder of such convertibles or warrants (including the Holders) is entitled to require the majority shareholder to acquire its convertibles (including the Notes) or warrants notwithstanding that the majority shareholder does not exercise its right to acquire the outstanding Class A Shares. If an agreement on the purchase price cannot be reached between the parties, the purchase price shall be determined through arbitration and generally be the price which could be expected in a sale under normal circumstances. A shareholder or a holder of a convertible or a warrant who does not participate in the arbitration will be represented by a trustee appointed by the Swedish Companies Registration Office.

Transfers of Class A Shares

A transfer of Class A Shares must be registered in the electronic securities system of Euroclear Sweden AB to give the transferee shareholder rights in relation to the Bank. Transfers are usually made through one or more financial intermediaries such as banks, stockbrokers etc. who are connected to Euroclear Sweden AB and may register the transfer.

Trading and historic performance

The Class A Shares are listed on Nasdaq Stockholm. The ticker name of the Class A Shares is "SEB A" and the ISIN code is SE0000148884. The total share trading volume of Nasdaq Stockholm during 2021 was SEK 5,987 billion and the average daily trading volume of Nasdaq Stockholm during 2021 was SEK 25,628 million. For information regarding the past performance of the Class A Shares and the dividend development, see the section entitled "*Share, shareholders, rating and dividend*" set out on page 5 of the Q1 Fact Book which is incorporated by reference in this Information Memorandum.

Nasdaq Stockholm can trace its roots from the foundation of the Stockholm stock exchange in 1863 and is the major stock exchange in Sweden with status as a regulated market as defined in the Markets in Financial Instruments Directive (Directive 2014/65/EU). It is supervised by the Swedish FSA.

TAXATION

SWEDISH TAXATION

The following summary outlines certain Swedish tax consequences relating to holders of Notes and the Conversion Shares. The summary is based on the laws of Sweden as currently in effect and is intended to provide general information only. The summary does not address inter alia, tax consequences in connection with the rules regarding reporting obligations for, among others, payers of interest and dividend. Investors should consult their professional tax advisers regarding the Swedish tax and other tax consequences (including the applicability and effect of tax treaties) of acquiring, owning and disposing of Notes or Conversion Shares in their particular circumstances.

Holders not tax resident in Sweden

Payments of any principal amount or any amount that is considered to be interest for Swedish tax purposes to the holder of any Notes will not be subject to Swedish income tax, provided that such a holder (i) is not resident in Sweden for Swedish tax purposes and (ii) does not have a permanent establishment in Sweden to which the Notes are effectively connected.

Subject to what is set out below, a holder of a Note or a Conversion Share that is neither (i) resident in Sweden for tax purposes nor (ii) engaged in trade or business in Sweden through a permanent establishment to which the Notes or Conversion Shares are effectively connected will not be the subject of any Swedish income taxes in connection with the conversion of any Note into Conversion Shares or in connection with the disposal of any Note or Conversion Share.

However, broadly speaking, private individuals who have been residents of Sweden for tax purposes due to a habitual abode in Sweden or a stay in Sweden for six consecutive months at any time during the calendar year of disposal or redemption or the ten calendar years preceding the year of disposal or redemption, are liable for capital gains taxation in Sweden upon disposal or redemption of Conversion Shares and upon a disposal or redemption of Notes if the Notes would be deemed securities taxed as shares (*Sw: delägarätter*). However, in principle, convertible bonds denominated in other currencies than SEK, such as the Notes, should not be deemed securities taxed as shares. In a number of cases, the applicability of this rule on taxation of individuals who have been residents of Sweden for tax purposes is limited by an applicable tax treaty.

Swedish withholding tax is not imposed on payments on the Notes to holders not tax resident in Sweden of any principal amount or any amount that is considered to be interest for Swedish tax purposes. A holder of a Conversion Share will be subject to Swedish withholding tax (*Sw: kupongskatt*) on any dividend payments and certain other distributions in relation to the Conversion Shares at a tax rate of 30 per cent (subject to any exemptions under Swedish law or exemptions or reduced tax rates under an applicable tax treaty).

Holders tax resident in Sweden

In general, for Swedish corporations and private individuals (and estates of deceased individuals) with residence in Sweden for Swedish tax purposes, all capital income (for example income that is considered to be interest or dividend for Swedish tax purposes and capital gains on Notes or Conversion Shares) will be taxable. Specific tax consequences may be applicable to certain categories of corporations, for example investment companies and life insurance companies. Moreover, specific tax consequences may be applicable if, and to the extent that, a holder of Notes or Conversion Shares realises a capital loss on the Notes or Conversion Shares and to any currency exchange gains or losses.

If amounts on the Notes or Conversion Shares that are deemed to be interest or dividend for Swedish tax purposes are paid by Euroclear Sweden or another legal entity domiciled in Sweden, including a Swedish branch or in certain cases a clearing institution within the EEA, to a private individual (or an estate of a deceased individual) with residence in Sweden for Swedish tax purposes, Swedish preliminary taxes at a rate of 30 per cent are normally withheld by the legal entity on such payments. Swedish preliminary taxes should normally also be withheld on

other returns on Notes (but not capital gains), if the return is paid out together with such a payment of interest referred to above.

Other taxes

No inheritance tax, gift tax or net wealth tax is levied in Sweden.

THE PROPOSED FINANCIAL TRANSACTIONS TAX

On 14th February, 2013, the European Commission published a proposal (the **Commission's FTT Proposal**) for a Directive for a common financial transactions tax (the **FTT**) in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the participating Member States). However, Estonia has since stated that it will not participate.

The Commission's FTT Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances.

Under the Commission's FTT Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the Commissions' FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

FOREIGN ACCOUNT TAX COMPLIANCE WITHHOLDING

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a **foreign financial institution** (as defined by FATCA) may be required to withhold on certain payments it makes (**foreign passthru payments**) to persons that fail to meet certain certification, reporting or related requirements. The Bank is a foreign financial institution for these purposes. A number of jurisdictions (including Sweden have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**IGAs**), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, such withholding would not apply prior to the date that is two years after the date on which final regulation defining foreign passthru payments are published in the U.S. Federal Register and Notes issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date. However, if additional Notes (as described under "*Terms and Conditions—Further Issues*") that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisers regarding how these rules may apply to their investment in Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

SUBSCRIPTION AND SALE

The Joint Lead Managers have, pursuant to the Subscription Agreement, jointly and severally agreed to subscribe or procure subscribers for the Notes at the issue price of 100 per cent. of the principal amount of Notes. The Issuer has agreed to pay the Joint Lead Managers a combined management and underwriting commission. The Issuer will also reimburse the Joint Lead Managers in respect of certain of their expenses, and has agreed to indemnify the Joint Lead Managers against certain liabilities, incurred in connection with the issue of the Notes. The Subscription Agreement may be terminated in certain circumstances prior to payment of the issue price to the Issuer.

The United States of America

The Notes and any Conversion Shares to be delivered following the occurrence of a Trigger Event have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons except in accordance with Regulation S or in certain transactions exempt from the registration requirements of the Securities Act. Terms used in the preceding sentence have the meaning given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code of 1986, as amended, and Treasury regulations promulgated thereunder.

In addition, until 40 days after the commencement of the offering of Notes, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the Securities Act.
